BIOGRAPHICAL NOTE

Barbara Stevens Wishmeyer was born on April 9, 1933 in Wildwood, NJ. The daughter of Alfred Stevens and Hadding Stevens, Barbara grew up in Cape May, New Jersey where her father served as postmaster in the town. As a young woman, Barbara attended Cape May High School, graduating in 1951.

Following her high school graduation, Barbara entered the University of Pennsylvania in the fall of 1951 pursuant of a degree in psychology. While attending the University, Barbara was involved with the Student Government, Archery Team, and Settlement House Volunteer Work. She graduated with honors in the spring of 1955.

After her time at the University of Pennsylvania, Barbara enrolled at Indiana University to pursue a master’s degree in Guidance. She received her diploma in the spring of 1957.

Following her graduation from Indiana University, Barbara began working at Southern Illinois University as a Dorm Counselor and Office Staff Assistant Coordinator.

In September 1959, she left her position at the Southern Illinois University and received a position as the Dean of Women at Dickinson College. During her time at Dickinson, she made many changes to the student experience through her work with Student Life. Her efforts earned her an honorary membership in the women’s honor society, Wheel and Chain, in May 1965. Later, in June of 1967, Wishmeyer left the college to pursue a new opportunity.

While at Dickinson, Barbara met and married her first husband, Professor William H. Wishmeyer, in 1961. Following his death, she married Professor Craig Baxter in 1984. Her date of death is unknown.
COLLECTION DESCRIPTION

The Barbara Stevens Wishmeyer Scrapbook documents the lives of the first-year female students living in Metzger Hall during the 1962-1963 academic year. That was the last year that Metzger Hall served as housing for Dickinson students, as it was razed at the conclusion of the Spring 1963 semester. The scrapbook contains primarily photographs, as well as some newspaper clippings and event programs. In addition to capturing everyday life, this scrapbook also records orientation, sorority rush, the annual Military Ball, and farewell events marking the closing of Metzger Hall. The captions written in pencil were provided by Wishmeyer.
