Lavender Letter

-Since 1982-

A Calendar of Events for and by Women
in Central Pennsylvania

January, 1993

Volume 11 No. 1

In Review... Ten years ago, a group of us sat around a table drinking coffee and moaning over the lack of community in the Hbg. Area. I would have been the last one to believe that our conversation would have led to 10 years of continuous publication of the newsletter known as the Lavender Letter. It has been a privilege and, though sometimes frustrating, a pleasure to serve this community. The privilege has been in meeting so many talented, giving and creative women. The pleasure has been in seeing our once non-existent community develop and spring out in dozens of areas and begin to develop a character of its own. Having grown with this paper, I feel it's now time to step aside and let the younger generation, with its new energy and ideas, have a turn at the plate. I welcome my assistant-editor, Jody Evans to the helm, with all her excitement, know how and eagerness. I thank her for being willing to do this not-so-simple job with a dedication that is not so common, but necessary. I know you will give her the support you've given me in the past as I look forward to getting the L.L. in the mail. Feel free to call the new L.L. number (717) 732-8010 to give her your ideas, events or just your encouragement. It's been great fun. Lorraine.

JANUARY 23-30

Annual Gay Ski Week in Aspen, Colorado. This year's Ski Week will also be an Amendment 2 protest. Colorado has recently passed Amendment 2 which negates gay-protection laws in Colorado. Basically, this means that under Colorado Law, Gay's have no rights. Instead of Boycotting the Ski Week, the organizers of the event are calling for tens of thousands of Gays & Lesbians to come to town to protest the Amendment. "The blacks did not leave Alabama. They marched on Selma. We are not going to the back of the bus. We are not accepting bigotry. We are coming to Aspen." says Robin Tyler, one of the event's producers. "I don't care if a Gay skis or not. Every Gay or Lesbian should get their ass in Colorado for the Gay Ski Week." Typically, the Ski Week was a social event full of parties & skiing, this year it is packed with fundraisers and lectures, along with a long list of celebrities & politicians who are invited to join the protest. Anyone interested in joining the protest or just going for the Ski Week may call Zeller Travel of Brownstown to make travel arrangements. 1-800-331-4359 or (717) 859-4710.
