Dear Marvin -

Miss Maple wishes it to be known
that she derives great pleasure from
"performing" with you and that
as long as you refrain from dis-
rupting her sweet dreams before 5am
you may call her any time you
feel the desire to match your
extraordinary talents with hers.

Yes, Marvin, I enjoyed myself very
much and only hope that you will

set full credit for your imaginative
planning of this conference. No one
could possibly have left empty
handed or rather empty headed and
they owe you thanks for being offered
a varied and rich program. From what
I gather not all Regionals ~~take~~ were
what they were supposed to be. I trust
you enjoyed it yourself.

I left Eugene in true fashion in
