Dear Madam,

There is no need to sever your connexion with your Church in joining the Theosophical Society. As the Theosophical teachings grow into the life & thought, they tend to widen the thought, & gradually lead the student to see that many exoteric dogmas are travesties of the truth. The bonds of the Church are thus loosened, but there is never any pressure on a member of the T.S. to leave his Church.

Sincerely
Annie Besant
