This Day I have received thirty nine volumes of the  
History including the one sent down by my Neighbour  
Park, I have defied Loan Merdith to pay thee  
Twenty Dollars, expecting that a my infringing volume  
that may be found will be sent down — The  
Loss of the first volume makes a great Break  
in the set, as, I apprehend, it treats of the first part  
of the Modern History of the world
