Frederick April 11th 1824

Dear Sir

My absence from home prevented me from receiving your letter until Monday last -

Your friend will with pleasure be received into my office if he wishes it. It may be proper to mention that I have five young gentlemen now under my care & although they are all correct in their deportment & attentive to business, yet your friend may perhaps prefer an office with fewer students - If that should be the case I will at any time be ready to assist him in procuring a situation with some other member of the profession. - Board can be had at Mrs. Kimbells, - the only good private boarding house in this town - for \$160 - exclusive of washing fire wood &c. I am most respectfully
Yr. obt. S^t. R. B. Tansley.
