Dear Sir,

The copy of *ultra* came today  
and I am much obliged for it  
I will return before very long.

The description of your *Hadron-  
shyphus* does not seem to differ  
much from *lytta* but I would  
send it to Delator for his opinion.

*Carrina marchale* is known  
to be in Corte Rees but Zelder  
has never seen it wild.

Very yours

J. W. Baird

Dr. Leavenworth
