Dear Sir,

I am happy at being informed of your safe Arrival at Bath - & hope that your Devotion at the Shrine of the long-shuoked Goddess, will be attended with the desired Success,

However, if she should prove relentless, leave the cruel Game to come to Harley Street, when you will meet with those, who will be more solicitous about you,

Your diletatory Shoemaker has not as yet finished your Boots - he expects they will be done to-morrow -

I send under Cover two Letters that I have received since your Departure, & shall forwarded the one you inclosed one for Mrs Jeyes - We have no News but what the Papers will convey to you

Mr Bingham joins me in best Wishes

Affectionately Yours

Mr Bingham
