PRAYER,

Pray for my soul.

*More things are wrought by prayer
Than this world dreams of. Therefore let thy voice
Rise like a fountain for me, night and day,
For what are men better than sheep and goats,
That nourish a blind life within the brain,
If, knowing God, they lift not hands of prayer
Both for themselves and those who call them friend?
For so the whole round world is every way
Bound by gold chains about the feet of God.*
