THE SENATOR (or how the boys Natural took on
the Student Senate and lost)

March 4, 1971

Typist: The Checkered Demon

A VERY SPECIAL ISSUE!!

(any love letters may be addressed to Box 1593)

This issue of the Senator is very special because we will print only articles of relevance. There will be no, repeat, no bowling or basketball standings in today's issue! This is also a special issue because it is the last of its type.

RECORDER PLAYERS

There will be a workshop for recorder players this coming weekend. A professional recorder player will conduct (professional recorder player?) You don't have to be good to participate, in fact, you can be terrible. The details will be announced soon, but meanwhile, you can contact Prof. Bullard of the music department or Rich Fagan at extension 260.

WANT TO LIVE WITH TWO GIRLS?

Anyone, meaning one or two persons, interested in sharing an apartment with two girls next year can enquire at 355 West Louther Street. No sex is guaranteed. For that matter, no sex was even offered. Dull, dull.

NOTICE FOR COOL PEOPLE

Everyone will read this 'cause we're all cool, right? Nothing like a catchy headline, eh? Someone has a men's dark brown suede jacket that may have been lost in the Union last October. If you have any clues to its owner please contact the owner in Box 917. Seriously, though, contact Box 917 if you have information.

WORK INDOORS THIS SPRING

Now that's not so catchy, right? Anyone who wants to ref freshman intramural basketball games, held on Saturday and Sunday afternoons can contact Steve Dunn at ext. 452 or Box 446. The pay is one big buck per game. You are requested not to contact Steve Dunn to hard, though.

EXPLANATION

You will notice that there is no Student Senate news. That is simply because it is so relevant.

COPROLOGY

No, that's not dirty. If you have an uncontrollable desire to get up to date on recent coprological findings contact Stu Denike at Sigma Chi. The film offered is recommended for Psyche Majors. (I think we've been turkeyed again.)

ATTENTION ALL STUDENTS

Time is running out. There are only about 80 days until graduation. If you want to do anything with those wonderful seniors you'll have to get on the ball, so to speak. This has been a paid political announcement from Hector and the Crude Crew.

The Senator would like to acknowledge praise from Betsy T. and Witwer 206. We don't have time to personally reply to the other thousands of adoring fans.

CLEAN UP THE ACT!

This will be the final issue of the Senator under the present editors. As of today you profs and administrators need have no fear about sending in notices. The present editors are quitting in response to pressures put on them by the Student Senate. It seems they want the Senator to be a very dull, cut and dried affair. It seems they will soon be looking for two very dull, cut and dried people to take over. Because of the somewhat controversial way the Senator has been recently run, the Student Senate has seen fit to pass a series of five or six resolutions concerning editorial policy and comments. We hope you will enjoy the new, duller than ever editions of the Senator.

THIS SPACE IS BEING LEFT BLANK BECAUSE THERE IS REALLY NOTHING AT ALL GOING ON AT GOOD OLD DICKINSON COLLEGE OF ANY INTEREST TO ALMOST ANYBODY BUT ANYWAY WE WANT TO THANK ALL THE SENATE OFFICERS AND THE STUDENT SENATE ITSELF FOR REALLY MAKING THIS A REALLY GREAT COLLEGE TO GO TO SO LONG EVERYONE, WOULD YOU!
