We are investigating the possibility of offering modern Israeli Hebrew at Dickinson, perhaps as early as the Fall of this year.

Do you think you might be interested in studying it? Yes No

We cannot guarantee that the course, if we offer it, will be suitable for satisfying the language requirement. Still interested? Yes No

Interest does not constitute obligation on your part. So don't bother signing your name or giving us your HUB #. This is just a preliminary survey. Thanks for taking the time to answer.
