Pattsville, Oct. 12, 1837.

Dear Col:-

If you can find time I wish you would write a line to the Governor in my behalf for the office of Notary which will become vacant here this Fall. I detest this thing of begging an office in this way - it I suppose it will have to be done to bolster up my application. Send me any letter you may wish that I may send it with others I will have. Campbell, Palmer & Fraily are also asking my appointment. Possibly you may see the Governor next week for he will be home likely to vote, when you can speak to him personally.

What the result of the election will be here tomorrow I can't tell. The "dollar men of '56" are very busy trying to get in a good vote for Haglerst. We look for the election of at least one member of the Legislature.

Truly Yours,

J. V. Smith
