January 1

Sleeted in a.m, snowed at noon, then sleeted at night. Guy came, he + dad took grandmother up, then Guy + family went home on milk train. Mother dad + I went to class party at Hobb's. Pearl Rice + I won first prize—lollypops. Pearl came home + stayed all night with me.

January 2

Mother washed Pearl's oscar! Much laughter! Pearl took bath here as no water at Rice's. Went to Junk in aft. to get zippers and who walked in but Bea! Great surprise! A new fur coat! Very swanky. Lloyd H down for supper Getting a cold. Much Rhunitus [?].

January 3

Started packing + to church. Roger down went to Dietriche to get geographics. Am train to W.B. Tax is 15 cents to Barb. The gyp! John Mangan + Alex A. Alexander in. Had a Cold so was not my talkative self (Tut Tut!) They stayd late (Too late) And sate[?] hid. Slip with Barb [Barbara J. Rynk]—and imagine—she didnt kick. John talks cute german—also Mrs Rynk.

January 4

Mom Left at 7:11. Train cold. We could not sleep as we had coffee for breakfast—and we were sleepy. Went up street in H-burg. Barb. got left by Phil—he had a 1:00 class (Tee! Hee!) went in lab + talked to Ramos—hleseum [?] little <3 ! Xmas card from Egg Harbor! (Tisk lisk! [?]) Frieda [Frieda Elaine Brown] Sally Ruth Kath[?] + I to John's.

January 5

Wrote a Greek scenario—and Herbie read the lesson to us—what a shock! Went in lab with Frieda. Took wrist watch strap to jewelers—studied Biology quite [?] a bit which was very good. Cloudy.

January 6

Movies—“The Gaurdsman” Good acting. Gave last book report to Stuffy [?]. Hurrah Raining all day. Talked to Phil for Barbara—and he didn't know the difference. Ramos affair exciting

January 7

Fair—beautiful sunset. Cut from Waterhouse so took History at 2. Barbara asleep here when I returned. Danced after dinner. Kathryn [Kathryn Duncan] + Ruth up at night. Saw my first gyro-scope—an aroplane not bad. I hear they're real safe. Frieda has Willa Cather's “Shadows on the Rock”

January 8

A wet snow that melted as it fell. Biology + told Eddy about puffball. Had long talk with him during chapel period. He's going to take me mushrooming—Imagine, my big moment! To Johns with Frieda Ruth Kath. + Sally. Going to practice Greek scenerio but I called it off. Went to Dean's International Relations. Member of program Committee. Met Mr. Kahn. BJR [Barbara J. Rynk] saw ally in lab.

January 9

Fair. Frieda + I went swimming. In aft. at 1:45 had program conference with Steve Teller! Rohn. Then after much difficulty to tea. Met Mrs. Waugh. Very nice stome. To Johns in evening + sit with Frieda. We stayd from 8:15 to 10:15. Big bull session Babarbara up to room afterwards. Changd room around.

January 10

Cloudy. Barbara + I went to Episcopalian Church and had lots of fun. Home and found Frieda sick. Only momentarily however. Gave a talk in Vespers on Manchurian Situation Listened to Eddie Cantor against rubs. 9:30 meeting we have a noisy hall + we use too much slang.

January 12

Fair. English. Went up to Herbie + got Greek costumes for scenario. Was to walk home with BJR but she feared Van Hock's wrath so home with Hollander [?]. In aft. cut from Waterhouse + Herbie so Johns with Phil + BJR.

January 11

Fair. Biology class—Johns with Frieda waited for BJR but missed her. Cut from Waterhouse. Not much in Greek. In lab with BJR—no Ramos—went down Cilla [?] and saw him Tsk Tsk. Sally slept with Ruth. BJR up + slept here. Betty Santa + Gwen Craver in Sally stayd home in morning because of cold.

January 13

Very warm—just like spring—rained hard early in morning. Edwin Marhom, the poet spoke in chapel. Old. Very nice old gentleman. Funny. Got autographed copy. He seemed to enjoy life. Long white beard + hair. WSGA meeting. Argument with Phil about Engl. + Germans. To Johns with FEB + BJR. To basketball D. Haverford 34-7 Not so good a game What, no Hercules? Leo wanted to bring me home.

January 14

Very warm—some flowers blossomed today—they thought it was spring—did they get left? Cut from Waterhouse—last class of semester too. History at 2—status quiz I didn't make out so

awful bad but didn't do so terribly good. No Greek Club—Herbie sick! International Relations Club. Went to Johns first to cheer up BJR. FEB + I took Japan—10:30 meeting!

January 15

Still warm. Biology. Went to Johns at 10 with BJR + FEB. Bull session over a perfect love a million dollars. Got a cut in Greek—Gelman has scarlet fever! To lab + home Basketball game with Moravian—65-25 our favor. Home with Mr. Kinzy [?]. Hoop-la. Refused chance to Soph hop—I object to walking. Joe Myers (my big moment) played absolutely marvelous + Patsy was superb. A+ in history quiz.

January 16

To Johns with FEB after Eng. Was in bathtub + got phone call then washed hair + had it all soap and wanted on phone—dashed down—heart pitter patter. Only Steve Teller + wants com. Meeting of I.R. Club on Mon. Darn his buttons. To Johns with FEB at night—slep with FEB

January 17

Colder. BJR + I went to Episcopal church. In aft HEB + BJR and I studied Eng. I slept at BJR's Sun. nite BJR + I studied Greek but became hungry + went up + got pie a la mode. After FEB SLR + I went to see Dean about room sounding and we shouldn't get sh'd so much.

January 18

Windy but beautiful. FEB + I started Biology today. Studied most of time, time out for comm. meeting of IR Club. Sorta desgusted Then Biologrd [?] some more. Vera M. sent candy ump [?!] Kathryn and Ruth up in evening. Slept at BJR.

January 19

Windy day and sort of gray. Did Biol. with FEB. Went to chapel with BJR. Home and more of M. H. Eddy. At 2:00 roommates and BJR went to movies. At 4:00 Dad came, took him to Johns, met FEB and BJR and took them along. Rieviewed Thalophytes. FEB and I slept with BJR. Took my bed to her room.

January 20

Crisp. Breakfast then up to the 5 + 10 with FEB. Had an off day—took [one illegible word] jail then in aft. slept some more for a walk with BJR for walk until dinner then more medicine + sleep. Received laundry + cakes + apples.

January 21

Sort of misty, rained a bit at noon. Well took my biology today! Hard? Well, not if you knew the answers! Tsk Teskle! To movies in aft (FEB) to see Joe Brown in Local Boy makes Good

very funny + riotous. Just what we needed. At night Santie [?]; [one illegible word] + Hollandr + BJR up to study English. Saw Ramos at movies. Kitty D. + K. Toder said the exam was easy—very true as applied to Biology—could I drop them over the railing But then their only Φβ's!

January 22

Grey. French A.—at 10. Went [?] to Bosler. Nobody there but our section, went to Old West—no one there so all class dashed to Denny about 3 min. late. Pretty bad Grim gave us his test Eng I at one. One question was pretty bad—messed things up on it—thereby no A. Studied Greek at night. BJR had pie—good. Mr. Billow seems to have ideas somewhat like mine He does not seem to be anything like he acts. I would like to get his views on certain things.

January 24

Cloudy. FEB and I went to Catholic Church in morning. Paul + Red walked halfway home. Rynkie [?] left for home 11:50 In aft. dear Mr. Wardell came around. Got officially introduced to the Mr. Billow. Much conference with dean and paid Bill. Beautiful moon these nights. Scotty my [?] Mr. Joe Myers and how my big moment looked cute—hair in great confusion. He slipped and remarked about the moon and said he had French [?] today. FEB seems to be excited she really wanted to talk tonite.

January 25

Cold + clear—very brisk. Got up + then went to bed again. Mended clothes, went to Dr. Jekyll + Mr. Hyde in aft Too overdrawn. Sally off it 4. In evening to library. Saw Mr. Billow—he actually stopped and talked to me. Then saw my Big Moment tonight—and he smiled + said Helloe! Imagine—its too much all at one time! Oh Mr Zilsh!

January 26

Cloudy with rain + sleet at night. Got up (Honest!?) Fooled around with clothes. Scotty stayed—date with FEB in A.M. In aft came over to FEB's. Looked village over. At night to Hanover to see "Frankenstein" I think it was more impressionistic than Mr. Hyde because it was more real. And so to bed. FEB saw my Big Moment after chapel—and I would stay home + fix [?] my oscar! Oh well, I looked at his picture in microcosms. Very good.

January 23

Took Greek exam. At night FEB had date—Wayne. BJR didn't have a date so went to market + Ro to Johns. She slept with us Sat. night. Frieda + she confessions! And how! I hid my head under covers! Oh Yeah!

January 27

Slept the clock around 11 to 11. Looked around village. Gave post master a heart beat. In evening Mr. + Mrs. B. gone so we read + wrote letters. Wrote a crazy one to BJR. Lots of fun. Sat and gazed at my Big Moments picture and got all inspired.

January 28

Cold and getting colder. Got up at 10:30. Gave Postmaster another heartbeat. To Gettysburg + looked over College. Met Frieda's friends then home stopping en route. At night listened to Rerdy Valhe [?]. Good. Helped Dot [?] with lessons to Bed early (9:45).

January 29

Cold + rainy all day. Up + cut clippings for scrap book In aft. had a nap (Shame) then went to Jo' grandmother's for supper—and what a supper. Boy, it was simply astounding. Playd cards + came home at 10. Was raining.

January 30

Cold. Up rather early. Helped Dot with lessons. Bath in afternoon. Listened to radio at night—very good except much static. Looked at my big moment in odd moments. Hes getting better looking—honest—what a life without a wife and not enough money to keep one! DW last ein[?] togel[?].

January 31

Cold. Up betimes at 11:30. Had good dinner—Swiss steak b'gosh! In aft. listened to radio and neglected the sino-Jap. affair which we should have read. At nite to Eddie Canter. People in. And so packed and to bed. Tomorrow the harness must get in. For some reason I remember that more of us get what we deserve than what we want—true but sad! [music note] School days [music note] aw h!

February 1

Cold. Came back. Got Greek Books 2.65. 2 classes in aft. Came home and packed laundry case. At night went to see Garbo-Navarro in (Kaptured) "Mat Hari" Did she dance! And clothes! Eyelashes! Sensuous appeal—andow! To Johns. Met Phil and he bought FEB and I a cake! Are we Cheslers! Gave him a line. Home + told BJR all about it.

February 2

Snowing—sloppy. Report—no A in Eng. Peeved. A-, same as last year. Book from Stough. 480 pages. To library in evening. Couldn't find history the Mr. Jagans actually held a

conversation with me—such sad [one illegible word] as he has—if it [?] the rest of his features do not coincide [?]. He is Abe Lincoln II.

February 3

Warm and warmer. To biology + was asked questions—come out fairly well. To swimming + washed hair. Home with BJR. In aft 4, to I.R.C. meeting with Prof Jink [?]
—he neither acts nor dresses like a prof and has a clear cut mind. Met Luther Whitcomb—real cute. Bull session.

February 4

Rained most day windy and cold later. In morn found I should have had A- in Eng instead of B. Nice—to Johns with FEB. French test in aft. all right but accent. I.R.C. in evening Lots of fun Billow prejudiced against us. Phil home with FEB + I by Johns and asked me for date Sat nite. In + told BJR—the two-timer!!

February 5

Cold. Waited for BJR after 10 class. Ramos in lab and talked to me for 15 min. His is cute but he cant be kidded he doesn't understand it. But what arbe [?!] To game with FEB and BJR. Phil took her home then stopped us + said he'd come out after me for game as sophomore relles [?] are off. Ate pie he gave BJR—lemon—and was it good! If he could only be judged by his pies. We lost 52-28 such a dumb game. Joe was out for 1 quarter.

February 6

Warmer. Saw big moment as I went in Eng. class. Phil was highly amused—said I was a peculiar kid. To Eng class Georgie Jenny Show to swimming where put name down for swimming meet. Waited for BJR then home—got compact. To tea in aft. Very nice. To game in eve. Joe sent out in 3rd quarter—didn't return. Poor kid! Phil + I walked + went to Philipppi's + Johns. In at 11:55. Date for Wed eve. We lost game 26 – 25. Exciting. Told BJR all about it.

February 7

Warm—sunshine. Woke up and found myself speechless to amusement of everybody. I had been yelling too much it seems. Slept most of day. Dueced [?] uncomfortable. Wrote letters. Ester Chambers up in evening to see if FEB could help her with Math. So ended a quiet day [one illegible word]!

February 8

Cold but warmer, rained in a.m. Got my voice a bit. Eddy called on me in class and was I mad! I sounded like a cross between a Contralt [?] + steam engine! Cut French. Saw Ramos in lab lots of fun. Home with BJR. In evening wrote belated topic on Geo. Washington + Family Relations. Read some good Poetry today “Anthology by Katherine Loder, Ruth Roerr. Sally, BJR + FEB at table together—too bad.

February 9

Rather nice but sorta cold. To Eng. To Johns with FEB to study French. Did History. In aft. French test Greek very dumb. Hist all about Geo Wash. To swimming meet—in last in back crawl + next to last in breast. So home Slept in eve. Eat from home. Gang up. Phil date BW.

February 10

Bit cold Damp rained a bit in am. To Biology. Stayd in library to read Danger Spots in Worlds Civilization.” Good. Thought provoking. FEB + JRB got Oscar—Hurray for de [?] form! Date with Phil in eve to movie to see Reckless Hour not too good. Sorta fun.

February 11

Cold in am. Nice in pm. To Eng + Johns with FEB. Got French paper—only 1 or Stough wouldn't let me go in 2oclock Hist section. To lab at two—Eddy real confidential Ha! Danced after dinner—Phil called BJR up + I ans. as she in tub Then he called me to apologize for being so adrupt. BJR said she would dance with me then carefully danced until 7 with her dear fraternity sisters—oh wel, if that's the way she breaks her word—evidently she still loved them as she did. Saw my big moment coming out of Hist class.

February 12

Sorta warm. In lab afte Biology Did 1 drawing. Home + did Greek. In aft went up Early for ass. Basketball manager tryouts. In Greek got an awful written—perfectly ghastly. In lab at 1 + 3 then to Basketball game, Freshman + Juniors won. Slept in evening. FEB has a great big caught [?] thees [?] disturbing Morphers [?]. BJR + I still full of edince [?].

February 13

Windy + nice. To Eng. no gym. Missed Frieda so home alone. Read Mary Widemer's poetry—very good. Bath + washed hair + slept in aft. Date with Phil in eve. Went to movies to see Suicide Flut [?] He was in a great big humor + had lots of fun—He gave BJR a pie. Not so good. Still silence—+plenty of it.

February 14

Windy but sunny. Sunday. Got up for breakfast and tried to work but couldnt so slept. In aft Emily up to do French. Date with Phil—walked to Bellaire—he informed me that he could

never love me passionately—Tsk tsk!! I only grinned malevolently to myself. Had me call BJR. She decided to go to German Club dinner However not because she wanted to—so she said ΦM's initiated.

February 15

Cold but sunny. To biology + home to study French + Greek. Had a test in French + had to scan in Greek. To History + had a test—awful—guess Ill read my lesson next time. To lab to get BJR. Ramos in. Home found FEB sick.

February 16

Windy + cold. Tues. FEB up to Eng class but home after I waited for chapel then home. In French got 85/90 in Hist. C—Aint it fierce? Read report in Hist. BJR to German dinner—if she refused he was going to ask me—maybe. FEB infirmary.

February 17

Wed.

February 18

Thurs.

February 19

Fri.

February 20

Sat. Felt had took Rienetes [?] and in bed in aft. At night down and stayed with FEB. Read Oscar Wilde's "A Women of No Imp." and it certainly makes one dizzy. Epigrams galore.

February 21

Sun. FEB up in room. Felt bad all day—tray at nite and so to infirmary. Dr—more money! Aint it fierce? Have an awful sore throat and temp. Looks like grippe—feels like it too if you should ask me.

February 22

Mon. Did Geo. Wash. homage by staying in bed—sure that he will be pleased. SLR brought me some ice cream in evening. BJR date with Phil outside window—fun to listen to inflection of voices.

February 23

Didn't sleep at all last night—nose ran all night—must teach it better. Elaine Stradling came in—has Grippe. Dean caught BJR in at night + did she haul her out! Then she came in + gave me the devil. She certainly does a thorough job of it but after its all over it isn't bad.

February 24

Wed cold. Read a lot today. Dr in to see Elaine + said I could get up to morrow so I went over in Katherine's room about 10 and had a sandwich—very good.

February 25

Thurs. Came up about 10 today. I felt worse to day than while I was in infirmary. Very weak + all that. BJR up all aft.

February 26

Nice—just like Spring. To Biology. Waited for BJR. Hil called up + I'm going to Kappa Sig dance—BJR couldn't. At night all 6 went to Johns and so to bed. Took test in lab and didn't come out so bad.

February 27

Sat. Took bath in aft no water to wash hair. At night Katherine + I went to library to 8:50 then to Johns to meet BJR + FEB. SLR + RBR came in later. In library became acquainted with Edward Bonin—most unusual. So home.

February 28

BJR's family came—seemed nice to see them. In aft to library to do Hist. with Katherine. Stayed all afternoon. At night had tea in gymn—almost starved. Mrs. Barnes led Vespers. Pres. Waugh + wife present—very silly if you ask me.

February 29

Mon. Went for ride in Hist. class—all about Coahuila. At night to ΦΔθ house for IRC—Maj. C. W. Booth—talked on Balkons [?]. Subject interesting but he seemed tired + wasn't so interesting. Kingg [?] asked me to KS dance. Nobody can decide who Phils going with—everybody curious—heh heh—3 of us—but he can still keep his head above water!

March 1

Tues. Sunny but windy. Written in French. Booth spoke in chapel not too interesting. Herbie took me for an awful ride about a conjunction—and I knew it all along + may all his children be Greek prof's! Did Biology most all eve. Time out for ice cream thanks to Sally.

March 2

Wed Greyish weather. Biology—terrible. In aft. Heard pianist Mr. Tempest play—good. To Johns (BJR also) to meet FEB. At night to see Hell Divers—very good pictures of airplanes. So home—BJR date with Phil I put porch lights out and FEB + BJR + I all said “adios” and he made dates with each—really very touching! Katherine should have seen it.

March 3

Spring like. Little quiz in Hist. not bad. Phil came out after and we danced. To game FEB with Phil—BJR + I. Everybody talking He He! Most marvelous game. Joe Lepinski [?] marvelous—Chic Kenedy good. Joe Myers medium—but what physique—34-32 favor of us (G-Burg) Fredricks good sorta—everybody yelling + banging—so exciting—we couldn’t hear anything last 5 min. To Johns with BJR afterwards + I sat with Phil + BJR—aint awful? But then—he couldn’t love me passionately—Tsk!

March 4

Nasty—rained, snowwd, thawed + slushy. Aft. Biology to hairdressors. To basketball at 4:30 Then to dance in Auburn—had dance with Georgie Stevens—all excited also with Rogers. Phil real cute—gave each other an awful time. I smoked at Philippi on a dare—tsk—Ide [?] told me I was pretty—aint awful? Cute.

March 5

Sat—spring like. At 5 oclock this morning hit the lamp + over it fell—broke all to smithereens. To Eng class and FEB + I arched afterwards + I broke a bow. Slept all aft to library in eve—Dean asked all about smoking—disagreed with her. Had a phone call but don’t know who from.

March 6

Stayed up all night last night—quite tiring. I went off at 6:10, FEB + BJR off at 7. Awful weather lights out in aft. FEB date with Phil tonite—I take it that he likes varietiy—or maybe it’s a defensive mechanism. Oh yeah?

March 7

Mon. Very cold—in fact, very cold. Had History quiz—very bad. He certainly can asked questions. Don’t know how I hit it but Ill bet not very good. Much snow + ice—walking difficult. They brough coco around at night and kept fires going all night. IRC meeting at 4:30.

March 8

Bit warmer. Quiz in Eng.—thank goodness it doesn't count very much. To Johns with FEB. Cut French. After History to lav to do some work with FEB. Filerbusted in Greek—talked to Mr. Kinzy. Humph! Sniff! Fraid he might ask me to spring formal if this keeps on!

March 9

Not as warm as yesterday. Cut chapel—to Johns with BJR + FEB. To lit in aft + then to IRC meeting to Johns after Aft dinner went in parlor till 7 then decided to go to movies “Beloved Bachelor” fairly good. Then home to big bull session. SLR slept and Ruth + BJR slept here. Talked till 1:30! If primitive man did not feel his emotions stronger than we do with civilization as a controlling factor. BJR + FEB negative and poor me paying cave men felt them more. It was awful—and I was so sleepy!

March 10

Not warm by any means. Got Eng papers got an 8—he was disappointed. Had French test—boy what a test! Took History at 2. Home and slept. Buffet supper for Y. Not very much to eat. Dean had meeting about health Keyster.

March 11

Waited for BJR at 10. Went to Scandanavian Bell Ringers Nothing extra. Cut lab to play on 2nd basketball team. Frosh [?] won 10-2. FEB + SJR to dance. Phil out with pie—wanted go to Johns but we didn't. BJR + I fooling at 19 Jesse came way up to tell us we were making noise awful funny—almost laughed at her. BJR did snicker—which helped a lot.

March 12

Sorta springlike but bit cold. Home with BJR. FEB date to Johns. Slept all aft in BJR's room. Bath after tea. To Johns with FEB. Nothing exciting found that cute kid's name was Dick what works in Johns. BJR came down for while home at 12.

March 13

Chilly and brisk. Up breakfast did History then went to sleep to 12. In aft should have gone to library but Duky [?] brought book. Did Biology with BJR + fooled. Then to History. She up later in eve. Dreamed about big moment most romantic.

March 17

To movies with FEB + BJR to see Joan Bennett in She Wanted a Million.” Not so hot. To Johns.

March 18

BJR slept in my bed + I slept in Sallys. W had to carry laundry case + suitcase both. Heavy? Dinner in H-burg. Met Marie Tepri [?] on bus. At night Mom Dad + I over to school social. Saw kids.

March 23

Wed. To WB got Blue dress, blue skirt + orange sweater + Ashes of roses [?]. Saw BJR. Got hat + blue shoes + pocket book.

March 25

March 28

Sun. To church. Saw Pearl + roommate Dot. Mr Shaw + Chambers family. Poppedcorn + Roger + Jran[?] 9 [?] over. T o BJRs about 6. John + Paul down in evening. Raing hard when they left.

March 29

Mon. Up at 6. To station—no train! Much snow + slushy. To take bus. Delayed didn't start until 9:45! In H-burg at 2:30 Paul also. Missed all classes Phil + FEB to meet us. FEB, BJR + I to Johns.

March 30

Tues.

March 31

Wed. Eats awful these days—soup + lemon pie which was an afterthought by the taste.

April 1

Thurs. Fri to movies alone. No April. Received scholarship check--\$100 not so bad.

April 2

Fri. Waited for BJR. Saw Ramos in lab. At night BJR + I to see George Arliss in “Man who played God” very good. Not such a good supporting cast. To Johns then did Eng.

April 3

Sat. Very nice Spring day. To Eng then swimming with FEB. BJR came over then home with us Nothing happened in aft. Banked Sc. Check.

April 4

Sun. BJR FEB + I went to reform church all dressed up in blue. Not so good—Minister talks as if he were practicing elocution lessons.

April 5

Mon. Big quiz in Hist. Sorta hard.

April 6

Tues. Test in French—not so good—am slipping.

April 6

Wed. Swimming with BJR on Thurs. Waited for BJR. Phil walked home with us—he saw Ramos talking to us + was displeased. In aft to library till 4 waited for FEB—to buy rouge—cute shades. Also Noxima [?].

April 7

[Thurs. crossed off] Fri. Today BJR’s birthday. Changed room around. Cut part of lab to go to Johns with Mr Kinzy. To Johns with FEB at night. Proctured [?] BJR + FEB down.

April 9

Sat. Very rainy + dismal. Tot [?] a written in Eng on Henry IV—I hadn’t read it—not so good. A very eventful afternoon. Slept all aft except fore various interruptions Bang! And nite no supper. My kind roomates of course brought something up! So I went to Johns with SLR to get some out.

April 10

Sun. Rained all day. Seemed to be a nice day but changed to dampness. Miss A. Zelch demanded a logical explanation of why I acted so yesterday—of course she didn’t get it—and wont now. Why are people so blind? Must they always demand a logical explanation? Can you

explain red to a blind man? To library + Johns in aft. At night I am still out of the fold! My My.

April 11

Mon still raining—am thinking of an ark. Non fraternity girls elections—Miller at Denny Williams Sect Treas. + I at Mitzger. I feel sort of incapable—especially after May Jarret mad such a good job of it. Me. Kinzey asked me for a date tomorrow. Talked with Phil. Herbies going to give up a cut in Greek. Danced in evening. The home fires are still burning as brightly as ever. Tsk!

April 12

Tues. Cold. Dismal. Georgie bawled up out about bluffing + not answering question. Then he called on me! Scaired? But I finally got there. Saw Shanghai Express with R. Kinzy. Quite Good. At night long conference with Dean, then May there is still hope. Hell HaTh No fury like WoMeN scorned.

April 13

Wed. Cold. Did not do much. Studied in aft. To library at night. Saw Paul + Stan. Did some history. SLR stayed down with Ruth per usual. So I was left alone between the devil and the deep blue sea [doodles of music notes]. Thought of petition.

April 14

Thurs. Nice day today. Went to English class. Home did French. No [?] quiz Stuffy let us out early. To movies in evening with R. saw Richard Barthelmess in “Alias the Doctor” quite good. To Johns. Ye good old arbiters tried to patch it up—it seems she has come half way—when?

↑↑WhY Are The GooD AlwAYs TeDious? AND The Bad so charmiNg?↓↓

April 15

Nice Day: Today at 1 I said “good bye” FEB. So the fight was off—anyway—it let me out. She seemed to think I had quit talking to her + wouldn’t speak to her. Talked to BJR in Greek as we played a game “31” together. Anyway the atmosphere will be better for others.

April 16

Sat. Nice. Walked to Eng with BJR. FEB sick did you say paid? Anyway I did my duty nobly + got warming pad. Started to count trees on campus with Ester Chambers for Biology Lab. To Johns with FEB + others at night. People are wearing white shoes. Crocuses are out still yet + some more.

April 17

Sun. Bit cold. To church with BJR 1st Pres. Not so bad a sermon. To library in aft—she had tea—they invited me in to have some when I came back then we both skipped out. Nice. Slept in eve.

April 18

Mon. Very nice—warm. Counted trees in morning with Ester. Test in French—not so good. Have to writ a paper for Stough. No classes next week. Did nothing in Greek. Touk long walk at night alone. Had ice cream—lovely full moon.

April 19

Tues—very nice. To English then home to do French . Got B- in quiz. Awful time in Greek. Hist not so bad. Dean gave talk about somebody swiping stuff. Also we must pick roommates—FEB BJR +I together but will we??? FEB + I to Johns.

April 20

Wed---another very nice war Spring day. To Biology, to library to do History—saw Kahn about club. After chapel counted trees with Ester. Got schedule fixed up. To lit Johns + bought new laundry case--\$2.50 at Tronenburgs [?]. Finished trees. Meeting at night WSGA. How about rooming? Guess BJR will room with them—per usual.

April 21

Thurs. Hot. Thurs. classes per usual—at 2 mr. Spenser Smith asked me to the ΦΔ dance Sat nite said he knew it was late + all that. Played tennis. J Myers walked by—I popped over + asked him—he accepted. Studied Bio.

April 22
