GAYS TO MARCH ON CAPITOL ON OCTOBER 14

BY

GARY

Gay people, their friends, and supporters from all over the nation will be travelling to Washington, D.C. for a march on the Capitol on Sunday, October 14. Every part of the country, and all walks of life, will be represented, with large groups from every major city. Trains from the west and mid-west will meet in Chicago to form a "Freedom Train" to travel east with stops in many cities en route including Pittsburgh, Harrisburg, and Philadelphia, in Pennsylvania alone.

This could well be one of the most significant events of the gay movement, ever, and surely the highlight of the year for gay people. It is the first time that participation in such an historical event will be open to so many people.

When your friends come from Washington filled with excitement and stories of the good time that they had, how will you feel? Will you look back and say to your self, "I could have been a part of that".

For the small amount of \$12.00, you can be! At today's high cost of gas, you can't drive to Washington for anywhere near that price. Think of the fun we can have on a trip like that. Imagine being part of a group of maybe 100,000 gays. A van will be leaving Williamsport on Sunday morning, October 14, at 6:30 AM from 659 Beeber Street. It will return that same evening. Reserve your space now by sending your deposit of \$10.00 minimum to H O W. For more information, call Dan, at 322-7987. (There is room presently for about ~~10~~ more, first come, first served basis). 5
