Response to lack of media coverage on Washington March: Time, Newsweek, and U.S. News & World Report ignored the largest civil rights demonstration of 650,000 people who marched for gay rights in October of 1987. *Lesbian Connection* suggests that you air your protest on pre-paid subscription postcard that can be found in these magazines. This will cost them 39 cents to read your views.

Anyone interested in this season's softball schedule, send self-addressed stamped envelope to Softball, P.O. Box 1527, Harrisburg, PA 17110.
