## "FREEDOM" Continues -- But What of "The Link"????

Herewith and herein and right in your hand is the third big issue of FREEDOM. Once again we are combining the efforts of MCC-Harrisburg with the Lancaster Parish to publish this opus.

But what, oh what, has become of "The Link"--the gay newspaper serving central Pennsylvania that what sponsored by MCC-Harrisburg? Well, truthfully, we don't know. There has been a breakdown in communications between the editor of that paper and the Board of the Harrisburg church.

Because of this, and because of the responsibility that MCC-Harrisburg feels for that paper, the Board took some actions at the meeting last Friday.

First, we affirmed that we still support the idea or concept of a newspaper serving the gay community in central Pennsylvania. However, since we have no idea if or when the next issue of "The Link" will come out, we have decided to refund the subscription money to all those subscribers who request such a refund in writing. In like manner, any advertiser whose paid ad did not appear in print will receive a refund if they request one in writing. We will continue these refunds until the money in the "Link" fund runs out.

And lastly, we have a board meeting on June 25, 1982. If it appears at that time that there is to be no further communication with the "Link," our intent is to vote to discontinue our relationship with that paper.

As far as FREEDOM goes, the Board voted to continue publishing it as a joint venture for the next two months.

In other action, the Board voted to sponsor a bus trip from MCC-Harrisburg to Atlantic City in August. The tickets will be about \$16, and the success of the trip depends on support by the community. See the calendar for the date and times involved.

And speaking of busses, it looks like the Lancaster bus trip to Gay Pride Day in Washington, DC actually will take place!!! A committee has been formed and is making the plans as we go to press. More details may be found in later pages of this very paper.

And speaking of busses, the Dignity/CP annual bus trip to Gay Pride Day in New York City is on once again, this year on June 27. Because of the extensive participation of the Harrisburg church, MCC-Harrisburg and the Lancaster parish will hold joint services that day in Lancaster at the Unitarian center. Mark your calendars!

As many of you know by now, I was involved in a minor auto accident on May 16. Although I am still very sore, I am healing very nicely, thank you. Thank you also for all your prayers. They really helped.

I was very happy to be able (finally) to share my "Bunch of Baloney" sermon with MCC-Hbg, last Sunday. That's the one that inspired the name of this newsletter. Freedom is our birthright as God's children. Enjoy your FREEDOM!

## PASTORAL SEARCH UPDATE

In our continuing search for a pastor, Gloria Root from Dayton, Ohio will be visiting Harrisburg for the June 18th weekend.

Ms. Root is interested in meeting the people of Harrisburg, whereas she has asked the pulpit committee to consider her application. She will be attending our Friday night picnic and doing the Sunday service that weekend.

Marianne VanFossen, our most recent pastoral candidate, has decided to find her ministry in the Wash.D.C. area. Marianne will be visiting us the weekend of June 12th and doing our worship service on the 13th.

We welcome these wonderful women with open arms and warm hearts, praising God for all being blessed with Marianne's and Gloria's love.

## GAY SKATE

On May 6th, we had our second successful skating get-together for the gay community. With over a hundred people, it was lots of fun. Watch our calendar in future issues of Freedom to catch our next Gay Skate!

## CONGREGATIONAL MEETING

There will be a congregational meeting in Harrisburg on Monday, June 28th, at 7:30 pm at the Friends Meeting House. We will vote concerning our new pastor, among other things.

## CONGRATULATIONS!

The district conference held in Richmond, VA this month brought up a very special surprise for our MCC's. Our Worship Coordinators, Gary Norton and Art Runyan were presented with outstanding service awards for their work in Harrisburg and Lancaster, respectively. Praise God!

## HOORAY!

As a result of a resolution that Harrisburg MCC wrote and presented to the district conference, from Fall 83 on, conferences will be held on a FRI-SAT-SUN schedule for every other conference. This will enable more lay people to attend these uplifting and rejuvenating meetings. We are very grateful to God and the loving people in this district for their support.

## GREAT NEWS

Harrisburg is very pleased to see new people every week in church. We've been getting new members and seeing people coming back again and again. We pray that God will guide us in sharing peace, kindness, hope, and LOVE to all so that each of them can share it with still more people.

MCC-Hbg. is sponsoring a one-day bus trip to Atlantic City. The tentative date is Saturday, August 14th. The bus will leave Harrisburg at 7 am and return around 10:30 pm. Tickets will cost \$16, so start saving your quarters.

## WHAT'S OVER THE RAINBOW?

by Al Johnson

Since moving to Lancaster, I lost what was over the rainbow. I'm living in a city with gay people but no gay community.

You may ask what was over the rainbow. I hoped I'd find a community of gay people working together to bring about community services of interest to gays since they weren't provided by straight society.

I needed those outlets for a sense of purpose--betterment. I needed them to educate myself as a gay man who was still learning what the gay world has to offer, and in turn, what I can give the gay world and society in which I live.

I began to read about the minority to which I belong--about which most gay folks don't care one way or the other. I felt that somewhere over the rainbow I would no longer be completely ignorant of the lifestyle I was living.

I needed to know that there was life after the bars, cruising, and book stores like in Baltimore where I used to live. I found this in the newly emerging services provided by the gay community 12 years ago. These excited me as I was just coming out. I was surprised that we were beginning to have gay rap groups, hot-lines, churches, dances, educational book stores, literary forums, youth groups, over-40 groups and many other opportunities for me to participate in.

I thank God every day for that community for it helped me deal with my gayness since 1970.

We gays here in Lancaster are in the beginning stages of forming a much needed community. Don't turn your back on what this community will have to offer without checking it out first.

We all can't move to the "bigger rainbows" of Philadelphia, D.C., New York, etc., so let's make our rainbows here. Everyone's help is needed.
