The regular monthly meeting of the North Eastern Pennsylvania Gay Alliance was held on Sunday April 29. The meeting was short due to the fact very little new business was to be discussed, for that month. The new by-laws were presented to the entire group to be voted on, they were approved they were in turn approved by everyone., the new by-laws will take effect May 1, 1979. Tom then spoke of the recent lecture he gave at Kings College on Gayity and how well recieved he was by the students and faculty of this fine institution. He has several more lectures upcoming in the future so anyone who would like more information on this maber please contact Tom.

The Social Director then cave a list of the upcoming events to be held, those being the Hawiian Lauo to be held June 30, and our trip to Provincetown the weekend of July 13 to 15, anyone wishing to go please contact Tom by July 1.

We have three new members voted into the organization they being Mark, Julie, and Ron, whom we hope as time gos by they to will enjoy the friendships and good times had by other members who have been with us a little longer.

May this person now make a personal comment, something I have not done recently but on a matter that has to be said, that being the conduct of some of our members at recent partys, some Gay as wll as straight members this applies to you all. Please leave yor personel grudges at home for when you get to feeling a little bit too good you seem to have big mouths. Also it seems as though some people like to sulk, sit in a corner, or carry on in other ways when they cant seem to get a certain girl or guy to co-operate with them, come on now you know who you are and are doing nothing but putting the damper on the party, there I have said it and anyone who disagrees can have space in the next newsletter to answer all charges.

#### Mothers Corner

Well gang its been a while since this column has appeared but we had a little trouble with a certain person that we seem to have straightened out., we hope. For those who missed the Mardi Gras it was one of our best partys ever, seems as though most members came in costume, also the food was something else. Tom again took his sheet off his bed to wrap around his robust body seems as thouthg that sheet could say a lot if it could talk. Speaking of robust bodies Omar the tent maker must have taken weeks to sew Rons toga, But the best had to be our own version of the tooth fairy seems as though she was right in style, she was looking better than ever. Well im running out of space, so until next party we will be seeing you all around.
