IN SUPPORT OF  
CENTRAL PA'S PRIDEFEST  
UNITY **Parade**

## ...Words from Parade Chair

A place at our table

Last year was a banner year for the GLBT community of Central PA. Our community gave birth to something incredible. The 1st PrideFest Unity Parade made its mark when many said it was impossible, and what a mark it was. We saw not only a record turnout but the parade made international coverage due to our community's wonderful Silent Witnesses and their unique way of dealing with protesters using rainbow umbrellas. This is due to the hard work of so many people. I just want to take this time to thank everyone who caught the vision and worked at making the event a success.

As we did last year, the PrideFest Unity Parade is hosting tonight's event "Dine Out with Pride". This evening's proceeds will go toward furthering the visibility of our GLBT community in Central PA. When your restaurant captain comes to your table be sure to take the time to purchase a raffle ticket and ask about parade sponsorship. It's your generous giving and participation that gives us the ability to make the Parade an event for all.

Tonight is a night of fellowship. Take some time and look around. Eat drink and be happy!!! You are among friend & family.

## ...Words from Pride Chair

I cannot fully express my thanks to the community for giving me the opportunity to serve as Pride Chair. I feel blessed to be associated with such a dedicated and hard working group of individuals that consistently and continually strives to pull off an event that exceeds the success of previous years. Join us again the last weekend in July to commemorate the birth of the gay rights movement and help us celebrate and continue the cause!

Our slogan for this year is **Live. Love. Be Proud.**

We want each and everyone of you to do just that and hope that the Central Pennsylvania Pride weekend gives you the strength, encouragement and sense of community to do so.

*Live your life to fullest and make a difference.*

*Love the person of your choosing without regret and with the support of all.*

Feel Pride and acceptance today and every day.

On behalf of the entire committee, I want you to enjoy a day of fun, entertainment, information and sense of community and belonging. Many thanks to all of you, our sponsors, and our volunteers.
