## Alumni Council In Annual Session

**C.** WENDELL HOLMES, '21, president of the General Alumni Association since 1949, was reelected to that office and the results of the annual mail ballot for Alumni Trustee and five seats on the Alumni Council were announced at the Commencement meeting of the Council in June.

The meeting was well attended and followed a dinner in Drayer Hall for the members and their wives or husbands. A highlight was the report of the joint committee of the Board of Trustees and the Council to study the athletic program of the College. The study was made last spring at the request of the Council.

Reelected with President Holmes were Mrs. Helen Douglas Gallagher, '26, secretary, and Hyman Goldstein, '15, treasurer. Judge Charles F. Greevy, '35, was elected vice-president, succeeding H. Monroe Ridgely, '26, who served two terms. The Council also reelected Gilbert Malcolm, '15, as alumni secretary and editor of *THE DICKINSON ALUMNUS*, with Dean Hoffman, '02, and Roger Steck, '26, as associate editors.

The tellers' report on the results of the mail ballot conducted in May revealed the reelection of Dr. J. Watson Pedlow, '29, as Alumni Trustee for a four-year term. Mrs. Gallagher was returned to the Council for three years. Also elected to the Council, all for three years, were Homer M. Respass, '17; Paul A. Mangan, '34; John F. Spahr, '46, and John D. Hopper, '48. The sixth new member of the Council is Arthur L. Piccone, representing the Class of 1955.

A progress report on the 1955 Alumni Annual Giving Fund was made by J. Mil-

ton Davidson, II, '33, chairman of the Fund's Steering Committee. The Fund then stood at close to \$50,000 and reached a record \$60,968 when the books closed three weeks later. He attributed the year-by-year growth of the Fund to several factors: the increasing awareness by more and more alumni of the importance of the Fund to the College; the hard work and loyalty of the Class Agents, and the leadership provided by Alumni Secretary Malcolm. He said that the College will be unable to take fullest advantage of industry's increasing interest in the welfare of high education until it engages a fulltime fund raiser.

Alumni clubs will put forth renewed effort this winter to interest more Dickinsonians in area alumni dinners, President Holmes indicated in his annual report. "Interest in alumni gatherings has been maintained by great numbers of faithful Dickinsonians," he said. "But there is still much to be done in this particular phase of alumni work."

He called upon officers of the clubs to set their dinner dates far enough ahead so that persons who would attend might have ample time to arrange their schedules. He referred to the Alumni Association's unusual success in obtaining Life Memberships and, in a reference to the new directory of living alumni, commented, "The new directory should be in the possession of every alumnus of the College."

The Alumni Secretary reported that Life and annual memberships in the Association totaled 2,243. All Life Membership payments are placed in the Lemuel T. Appold Memorial Fund, income of which goes to the Association and is

### 1956 Commencement Earlier

The 1956 Commencement will again fall on the first weekend of June. The past several Commencements have been over the second weekend of the month.

The 1956 dates will be June 1, 2 and 3. Friday, June 1, will be Senior Day. Saturday, June 2, will be Alumni Day and the Baccalaureate Service and the Commencement Exercises will be on Sunday, June 3.

used largely to meet the costs of publishing THE ALUMNUS. The Fund stood at \$54,782.

The findings of the special committee set up last winter to study the athletic program of the College were reported by Joseph G. Hildenberger, '33, a Council member, who served on the committee. At its Homecoming meeting last November, Council called for the study in a resolution that expressed "serious concern" with the unfavorable effect of the poor record of Dickinson teams upon students and alumni and upon student recruitment.

During the study, Hildenberger reported, the committee interviewed members of the Board of Athletic Control, the Director of Athletics, the Student Senate, the Student Interfraternity Council, student athletes and faculty members.

Among the findings, he reported, were: the College awards scholarships on the basis of academic proficiency and need and not for athletic skills, that no contact is made with high school athletes for the purpose of playing on Dickinson teams, that some faculty members are antagonistic to athletics and manifest this attitude by penalizing athletes who are forced to miss classes for participation in games, that many students prefer to take part in intramural sports rather than go out for the varsities, and that the coaches had failed to do a satisfactory job in

"selling" varsity participation to athletic students.

It also was found, Hildenberger reported, that "there seems to be an armed armistice between the athletic staff and the student body" and little effort on the part of either groups to get together, although there was no lack of cooperation between the Board of Athletic Control and the Athletic Director. Some fraternities, the committee found, were more concerned with success in intramural sports than in encouraging athletes in their membership to aspire to varsity teams.

The committee made a number of recommendations. These were, in brief: 1) an individual applying for a scholarship should not be penalized because he has athletic ability, but that ability should be taken into consideration provided all other conditions for a scholarship be present, 2) no athlete should be subsidized, but scholarships should be made on the basis of the applicant's scholastic worth and possible contribution to extra-curricular activities, 3) larger representation of faculty and student body on the Board of Athletic Control, 4) schedules should consist of teams having similar athletic policies and academic standards, and there should be an inter-sectional game each year in one or more sports to stimulate interest, 5) faculty cooperation in adjusting classroom schedules to avoid conflict with team practice hours, 6) fraternities encourage members to participate in intercollegiate sports, 7) the Interfraternity Council appoint a special committee to further No. 6 recommendation, and 8) because "enthusiasm for intercollegiate sports is largely in proportion to the emphasis placed on such sports by fraternities" this becomes a responsibility of the Interfraternity Council.

Council representatives on the committee with Hildenberger were Clarence B. Hendrickson, '38, and Weston Overholt, '50. Trustee members were Judge Karl E. Richards, '10; F. E. Masland, Jr., '18, and Paul L. Hutchison, '18.

## Establish Alumni Club On Del-Mar-Va Peninsula

THE Southern Del-Mar-Va Dickinson Club was formed following a dinner of 44 Dickinsonians held at the Plimhimon Hotel in Ocean City, Md., on August 24, when officers were elected and plans laid for the next meeting on the first Wednesday of August in 1956.

To differentiate it from the Dickinson Club of Delaware, which usually meets in Wilmington, the alumni chose the name Southern Del-Mar-Va Dickinson Club and decided to hold meetings annually at the popular Maryland resort, Ocean City.

Dr. Harry T. Smith, '26, dentist of Salisbury, Md., was elected the first president and the Rev. Ralph L. Minker, '47, pastor of the Atlantic Methodist Church in Ocean City, was chosen as vice president. Mrs. Mary Hering Birnbrauer, '21, teacher at Rehoboth Beach, Del., was named secretary-treasurer.

C. Wendell Holmes, '21, President of the General Alumni Association, effected the organization of the new club. He spent several days at Ocean City with Mrs. Holmes while on this mission.

Vice President Gilbert Malcolm, in his role as alumni secretary, acted as toastmaster. He has been an annual visitor to the Maryland resort for 20 years. Other representatives from the college included Financial Vice President, George Shuman, Jr.; Prof. Benjamin D. James, Director of Admissions and Prof. Milton W. Eddy. Included in the delegation from Carlisle was Hyman Goldstein, Treasurer of the General Alumni Association.

James Kenney, valdictorian of the Wicomico High School of Salisbury, Md., last June and Albert Stevens, III, of Georgetown, Del., who enter the college this month, were among the guests as was William R. Waterman, of Salisbury, who returns to the college this month as a junior. Other students present were Walter H. Honaman, '56, of York, Pa., who has held a summer job as desk clerk at the Hotel Hastings for several

years and Sue Shoun, '58, of Oxford, Pa., who was a waitress at the Hotel Atlantic during the summer.

Alumni who attended, some with their wives, included Dr. J. Paul Slaybaugh, President of Wesley Junior College, Dover, Del., and Bernard Forcey, '20, of the faculty there; L. Creston Beauchamp, '10, lawyer of Princess Anne, Md.; M. Wilson Harris, '18, Centreville, Md.; Richard A. Shields, '12, Lewes, Del.; Marvin H. Tawes, '26, Crisfield and his brother-in-law, Dr. John W. Nycum, '26, surgeon of Everett, Pa., who was visiting his wife's home in Crisfield at the time; Austin A. Banks, '09, L. Bradley Taylor, '20, William T. Guy, '48, and Avis A. Nock, '56, all of Salisbury, Md., and Roy W. Hallman, '31, of Seaford, Del.

Another guest was Mrs. W. M. McAllen, who recited a poem she said her cousin, the late Dr. James Henry Morgan, had taught her. She made her home with Dr. Morgan for several years just before his death. She came to the dinner from the Palmer Home, Dover, Del., where she now lives, with Dr. Slaybaugh.

### Elected Conference Delegate

Dr. Herbert E. Richards, '41, who received the Dickinson alumni citation in religious education in 1948, has been elected to be delegate to the Methodist church's general conference by the Idaho conference, which he serves. The general conference will be held next April in Minneapolis.

Dr. Richards is minister of First Methodist church in Boise, Idaho, where the membership has tripled since he took over the pastorate in 1951. The members this spring voted to build a large new church and church school plant.

The Richards have three children; Herbert, Marcey, and little Robin Lois, born last December 30. Mrs. Richards is the former Lois Marcey.

## Trustees Elect Members and Officers

SEVERAL changes in the membership of the Board of Trustees were made at the June meeting or have taken place since.

Herbert M. Gould, of Detroit, general manager of the Motors Holding Division of General Motors and president and director of the Motors Holding of Canada Limited, a General Motors subsidiary, was elected a Trustee.

It was reported to the Board that Dr. J. Watson Pedlow, '29, of Chester, Pa., had been reelected an Alumni Trustee in the annual mail election of the General Alumni Association.

The Board accepted the resignations of General James G. Steese, '02, who was first elected a Trustee in 1919 and of Dean M. Hoffman, '02, who became a Trustee in 1925. They both were named Trustees Emeriti.

Shortly before the meeting, on March 25, 1955, death removed Judge Edward M. Biddle, '86, who was a member of the Board of longest continuous service, having been first appointed in 1905.

Since the meeting on July 26, death removed another Trustee of long service in the passing of Samuel M. Goodyear, of Carlisle, who was first elected in 1937.

The Board adopted the recommendation of the Committee on Nominations for the reelection of those members whose terms expired last June, each for a four-year term to expire in 1959: Merle W. Allen, Carlisle; Justice John C. Arnold, Clearfield; G. Harold Baker, Aberdeen, Md.; James T. Buckley, Philadelphia; Lloyd Wellington Johnson, Caldwell, N. J.; Dr. Charles W. Kitto, Philadelphia; Andrew H. Phelps, Pittsburgh; Glenn E. Todd, Carlisle, and Judge Robert E. Woodside, Millersburg.

The officers were reelected. They are President Boyd Lee Spahr, Vice-President Frank E. Masland, Jr., Secretary George Henry Ketterer, Treasurer George Shuman, Jr., Assistant Treasurer Carl J. Adams and Assistant Treasurer George A. Bobletz.

HERBERT M. GOULD

Dr. Herbert M. Gould, the new Trustee, is a native of Philadelphia and was educated in the schools of Ardmore, Dickinson Seminary, Wesleyan University and the Washington and Lee and Cornell University Law Schools. In 1951, Rio Grande College, Ohio, conferred upon him the honorary degree of Doctor of Business Administration.

Shortly after beginning the practice of law in Philadelphia, Dr. Gould joined the General Motors Acceptance Corporation and soon afterward was transferred to the General Counsel's Staff of General Motors Corporation in New York City. Since 1929 he has been with General Motors Holding Corporation and became general manager of the Division in 1949.

Dr. Gould is a member of Alpha Chi Rho and Delta Sigma Rho fraternities, the Masonic Lodge in Ardmore, Pa., and the Automobile Old Timers.

For a number of years, Dr. Gould has been most active in the United Foundation of Detroit, probably the leader in its field, repeatedly establishing collection records. Last year it raised more than \$13,500,000.

Dr. Gould has been a benefactor of the college and a few years ago established the \$100 drama prizes in the memory of his parents, William H. G. Gould and Myrtle Drum Gould. He is especially interested in the Mermaid Players and in each of the past two years entertained them at a dinner at the Hotel Hershey.

Dr. and Mrs. Gould reside at Grosse Pointe, Mich. They have a daughter, Mrs. Charles White. Dr. Gould is the brother of Professor William Drum Gould, of the faculty.

### Has Sermon Published

Dr. Lowell M. Atkinson, '32, pastor of St. James Methodist Church, Elizabeth, N. J., is the author of a sermon, "Clouds Without Water," published in the September issue of *The Upper Room Pulpit*.

Dr. Atkinson has served previous pastorates in New Jersey, Virginia and Maryland. He was educated at Dickinson College, Drew University, The University of Birmingham and Oxford University. He has served his church in numerous elective positions.

## Trustees Name Two Additional Vice Presidents

**B**Y ACTION of the Board of Trustees at the annual June meeting, Dr. Frederic W. Ness, '33, Dean of the College since 1952, was elected academic vice-president and George Shuman, Jr., '37, treasurer of the College since 1948, was elected financial vice-president and director of the development program. Gilbert Malcolm, '15, continues as vice-president.

As academic vice-president, Dr. Ness is also Dean of the College and Professor of English.

Under the chairmanship of Sidney D. Kline, '24, of Reading, Pa., the executive committee of the Ten Year Development Program had studied ways to speed the acquisition of buildings, the procurement of additional endowment and current gifts. Some time ago this committee concluded that there should be no major financial campaign but that a director of development should be found to carry on a continuing year in and year out effort. A number of men qualified for this work were interviewed.

At the end of April the committee decided that Mr. Shuman was best qualified for this post and recommended to the Trustees in June that he be elected and given the title of financial vice-president.

For the time being, Mr. Shuman will continue as treasurer of the College. He will be released from his other duties as

superintendent of grounds and buildings, manager of the book store and business manager of athletics, and the supervision of certain miscellaneous matters.

### Four Receive Harvard Degrees

Four graduates of the College were awarded degrees at the Commencement Exercises of Harvard University on June 16.

Kenneth A. Rhodes, Jr., '52, of Waverly, Pa., received the LL.B. degree upon his graduation from Harvard Law School. He is now associated with James K. Peck and Mott Peck with law offices in the Scranton Electric Building, Scranton, Pa.

Donald E. Graves, '53, of Cambridge, Mass., received the degree of Master of Arts. For two years, he was a student in the Soviet Union Program under the International and Regional Studies Committee. His major field was Russian History and his thesis was on the Russian Judicial Reform of 1864.

Norman O. Ranz, '38, of Philadelphia, was awarded the degree of Master of Business Administration with distinction and Emil R. Weiss, '53, of Glen Ridge, N. J., was awarded the degree of Master of Business Administration with high distinction.

## Three New Coaches Take Over Athletics

DAVID B. EAVENSON

BRINTON C. PIEZ

**I**NTERCOLLEGIATE athletics at Dickinson are in new hands as the result of three appointments in the Department of Physical Education occasioned by the departure over the summer of A. C. "Slim" Ransom, football and basketball coach and department chairman; Lindy Lauro, his coaching assistant, and John S. Steckbeck, a member of the coaching staff for nearly 10 years.

The new members of the department, all with coaching responsibilities, are: David B. Eavenson and Joseph G. DuCharme who together conducted the successful athletic program of Wyoming Seminary, boys' preparatory school in Kingston, Pa., and Brinton C. Piez, formerly of the Upper Iowa University coaching staff.

Ransom, who came to Dickinson in 1952 from W. and J., announced his resignation in April to become principal of the Raymondville High School, Tex. The position will enable him to devote fulltime to school administration. Ransom's three Dickinson football teams won 8 and lost 17 and his basketball teams won 20 and lost 35.

Steckbeck was swimming and track

coach and the trainer of all teams. He left the College for a position in Lehigh University's athletic department. Lauro, a Pitt alumnus, who came to Dickinson with Ransom, plans to continue in college coaching.

Under the new setup Eavenson is department chairman, athletic director and swimming and baseball coach. A native of Kingston, Pa., he was a sophomore at Oglethorpe University in 1941 when called to the Army by World War II. He was twice wounded in France. At war's end in 1945 he went to Wyoming Seminary as teacher and coach and became athletic director in 1951. He studied at summer sessions at Penn State and Bucknell and the latter university awarded him a B.S. degree this past summer. He will work for a master's degree.

Piez (pronounced to rhyme with ease) is the football coach and frosh basketball coach. A native of Norristown, Pa., he grew up in Audubon, N. J., and after graduating from high school there in 1942 he spent a year at Mercersburg Academy. He was inducted into military service while a freshman at Western

JOSEPH G. DuCHARME

Maryland College and after his discharge following three years with the Army Amphibious Engineers he entered Temple University. There he was center on three football teams and on graduating in February, 1950, his classmates voted him "the outstanding senior." He won a graduate assistantship in physical education at Ohio State University, which gave him a master's degree in 1951. Piez then went to Upper Iowa University to coach basketball and assist with football. His Dickinson position marks his fourth year in the coaching field, his first as a head football coach.

DuCharme is the varsity basketball and track coach and football assistant. His basketball team at Wyoming Seminary last winter was undefeated. A native of New York City, he attended Keveny Academy and graduated from the high school of Cohoes, N. Y., in 1942 and after three years of war service with the U. S. Coast Guard he entered Ithaca College, graduating with a B.S. in physical education in 1948. After a year at New York University, where he received a master's degree, he took his first coach job at Wyoming Seminary. Assisted by Eavenson, he turned out fine football and basketball teams.

### Join Law School Faculty

Clinton R. Weidner, '37, '39L, and Thomas H. Bietsch, '41, '48L, prominent attorneys of Cumberland County, in Pennsylvania, were appointed to the faculty of the Dickinson School of Law in July by D. Fenton Adams, '47, '49L, acting dean of the school.

Weidner, who will teach criminal law and criminal procedure, is serving the last year of a four-year term as district attorney of the county. Before his election in 1951 he served a year as assistant district attorney. He maintains his law office in New Cumberland where he is associated with Russell B. Updegraff, '25, '29L.

Beitsch will teach evidence and practice courts. He is solicitor for the Borough of Carlisle and is associated with the law firm of Irwin and Irwin, in Carlisle. A veteran of World War II, he was recalled to active duty for six months in 1951 during the Korean hostilities.

### In New Masland Post

Robert Paul Masland, '19, became in June first vice-president and chairman of the finance committee of C. H. Masland & Sons, Carlisle, the rug and carpet manufacturing firm with which he has been associated since his graduation from College.

Masland, whose brother, F. E. Masland, Jr., '18, is chairman of the board of the corporation founded in 1897 by their grandfather, had been the treasurer for nearly 25 years. To these duties were added those of secretary in 1948.

Robert Paul Masland is also a member of the board of C. H. Masland & Sons and a director of the Amber Realty Company, Philadelphia, and the Carlisle Trust Company. He serves on the Carlisle Borough Municipal Authority.

An active Dickinsonian, he has been a member of the Board of Athletic Control of the College for a number of years and is active in the alumni affairs of Alpha Chi Rho.

## Death Claims Veteran Carlisle Trustee

**S**AMUEL M. GOODYEAR, who has been a trustee of the College since 1937, died in the Carlisle Hospital on July 16 after an illness of several months. He was 84 years of age. He was the father of Jacob M. Goodyear, '17, and Donald H. Goodyear, '23.

Throughout his life, Mr. Goodyear was vitally interested in the affairs of the College, in the community and in the First Lutheran Church, where for 40 years he was superintendent of the Sunday School and for many years president of the Church Council.

For 50 years he served as a director of the Farmers Trust Company in Carlisle and for a great part of that time was chairman of the board until his retirement in 1954. That year the directors elected his son, Donald H. Goodyear, as a director to succeed his father.

Mr. Goodyear gained national prominence in 1924-25 when he served as Grand Master of the Grand Lodge of Pennsylvania F&AM. He was a member of both the York Rite and Scottish Rite Bodies, the Shrine and a 33° Mason of the Northern Masonic Jurisdiction of the Scottish Rite. For many years he was a member of the Committee of Masonic Homes at Elizabethtown. He maintained his interest in Masonry throughout his life.

For more than 25 years he served as secretary of the Carlisle School Board, was active in the formation of State School Employees Retirement Fund. He was a member of its board for 20 years. He was president of the Hamilton Library and at various times during his life headed campaigns for civilian defense, the Liberty Loan and for charitable and civic institutions.

Mr. Goodyear left public school at the age of 13 to take a course at a Harrisburg business school and then became secretary to the division freight agent on the old Gettysburg and Harrisburg Railroad, later became a part of the Reading Com-

pany system. He left that position at the age of 20 to start a coal business in Carlisle and was a member of the firm of Goodyear Bros. for nearly 50 years, engaged in the retail sale of coal and building supplies.

Mr. Goodyear was a brother of the late Charles A. Goodyear, who for many years directed the Men's Glee Club at the College and also a brother of the late Fisk Goodyear, who at one time was postmaster of Carlisle.

Funeral services were held in the First Lutheran Church in Carlisle and interment was made in Ashland Cemetery.

### On Navy Cruise

Frederick C. Gladeck, Jr., '34, president of the Machine and Tool Designing Co., was a special guest of the U. S. Navy for a four day cruise on the U. S. S. Champlain in July.

The cruise enabled him to observe, under actual working conditions, the operation of special devices his engineering firm has developed for the Navy.

Gladeck is treasurer of the Young President Organization, an association limited to young men who became presidents of million dollar firms before they reach 40 and, also, is a member of the Chamber of Commerce of Greater Philadelphia. He resides at 538 Hampshire Road, Drexel Park.

### In Duke Program

Prof. Margaret Ramos, who teaches Spanish at the College, was one of 16 college and university professors from all parts of the country selected by Duke University to take part in its Visiting Scholars Program during the past summer. A grant-in-aid enabled her to spend six weeks at Duke in independent study and research.

## Sudden Death Strikes Professor Smith

**P**ROF. HENRY E. SMITH, '11, a teacher at the College since 1942 and the acting chairman of the department of physics, died unexpectedly August 19 in Carlisle four days after he and Mrs. Smith returned home from a two-month tour of England and the Continent. Stricken with a heart attack during the night, he succumbed a few hours later in the Carlisle Hospital.

Following their arrival in New York City on the Queen Elizabeth, the Smiths spent the next day there and then returned to Carlisle. To friends greeting him on the campus, Prof. Smith complained of feeling tired, but he looked to be in his usual good health. He was 63 years old.

He devoted his life to teaching. He had been on the faculty of the Harrisburg Academy for 18 years when in 1942 he was called to the College to help with Civilian Pilot Training and other wartime programs. He continued on the faculty after the war and at his death held the rank of associate professor. He became the acting head of the physics department a year ago.

Prof. Smith was more often called "Colonel." Following World War I service in France as a lieutenant in the Field Artillery, he entered the reserves and obtained the rank of lieutenant colonel. A friendly, even-tempered man, he was fond of recalling his college days. His students admired and respected him.

Born in Delta, Pa., in 1892, he was the son of James and Mary Kurtz Smith and entered Dickinson from Jarrettsville, Md. After his graduation in 1911 he taught at the Dover Conference Academy, Dover, Del., until 1914 when he went to the Harrisburg Academy as head of the mathematics department and track coach. He remained at the latter school until it closed in 1941. Columbia University awarded him a master's degree in 1938.

For many years he served as secretary of the board of trustees of the Dickinson chapter of Kappa Sigma. He was a mem-

ber of the Episcopal Church and a Mason. His professional affiliations included the American Mathematical Society, Pennsylvania Academy of Science, American Institute of Physics and the American Association of Physics Teachers.

Prof. Smith's first wife, Mrs. Rosanna Schaeffer Smith, died in 1944. He married Mrs. Eleanor Wootten Hemsley, of Baltimore, Md., who survives him. Other survivors are a stepson, Lt. Col. Richard T. Hemsley, Baltimore; his mother, Mrs. Mary K. Smith, Jarrettsville, Md.; two brothers, E. LeRoy Smith, of Jarrettsville, and Howell K. Smith, Minneapolis, Minn., and a sister, Dr. Sara E. Smith, of the faculty of Western Maryland College.

Burial was in Baltimore following services in Carlisle.

### In New Railroad Post

Effective July 1st, W. D. Gordon, '36, was appointed Assistant General Freight Agent of the Pennsylvania Railroad at Pittsburgh. Waxy's new address is 810 Pennsylvania Station, Pittsburgh 22, Pa.

## Fifty New Lifers Send Total To 1,496

SINCE the publication of 1,446 names of Life Members of the General Alumni Association in the May number of THE DICKINSON ALUMNUS, fifty checks have been received in one of the largest gains in years. Twenty-two of these new Lifers were recorded following the publication of the Directory and after the mailing of letters from C. Wendell Holmes, president of the General Alumni Association. The total is now 1,496.

While the May number was on the press the first subscriptions in the new series were received. The first came from Mrs. John L. Wightman, the former Sara Whitcomb, '31, of Prospect Park, Pa., and that same day a check was received from Dr. Alvin B. Biscoe, '27, Dean of the Faculties of the University of Georgia.

On June 1, Mrs. H. Royce Martin, the former Helen Jackson, '35, of Shipensburg, Pa., became a Lifer.

Ralph Wallis, '26, who lives in Arlington, Va., sent in the next subscription. He is photo editor of the Associated Press Bureau in Washington, D. C. He has two sons, 4-year-old Michael and 3-year-old Gregory.

That same day a \$40 check arrived from Charles H. Davison, '38, attorney with offices in Chambersburg, Pa., and a \$40 check also arrived from Thomas C. Mills, Sr., '19, who is engaged in the insurance and real estate business in York, Pa.

The next day a \$40 check came from Harriet Matter Keller, '35, of Scotia, N. Y. She is the wife of Gilbert M. Keller, '39. Later that same day a similar check was received from Jesse B. Rubright, '29, of Buffalo, N. Y., who is assistant combustion engineer at the Buffalo, N. Y., plant of the Republic Steel Co.

Four subscriptions came on June 6. The first of these was from J. Frank Puderbaugh, '17, superintendent of schools of Lock Haven, Pa. The second

### Becomes Lifer At 96!

An exemplary challenge was given to every Dickinsonian in June by the Rev. Alpheus S. Mowbray, retired minister of Washington, D. C. He became a Lifer to mark his 70th reunion year as a member of the Class of 1885.

He was born on December 30, 1858 and became a Lifer after he had passed his 96th birthday!

was from Rev. Thomas R. Jeffrey, '16, minister of the Philadelphia Methodist Conference, who now lives in Wind Gap, Pa. The third was from Mrs. S. B. Bashour, the former Louise Charley, '46, of Huston, Texas, and the fourth from Theodore Ralph Bonwit, '53, who lives in Pikesville, Md., and is associated with the Hutzler Bros. Co. in Baltimore.

While he was spending a week at Allenberry on vacation, Dr. G. Wesley Pedlow, Jr., '34, of Lock Haven, Pa., called at the office with his wife and son. He then turned over his check for \$40 for Life Membership.

Claire Alice Pinney, of South Orange, N. J., was the first member of the class of 1955 to become a Life Member. Following her graduation she entered service with the Marine Corps. The first man to become a Lifer from that class was Kenneth B. Lewis, who now lives in Baltimore, Md.

The next forty dollar check came from James E. Meneses, '47, who is practicing law with offices in the Morrison Bldg., King of Prussia, Pa. The same day the name of E. Vincent Gulden, '37, of Dayton, O., was added to the list of Lifers.

When they came back for their class reunions, Mrs. Helen Purvis Blew, '20, of R. D. No. 2, Bridgeton, N. J.,

and Chester H. Wagner, '35, of the faculty of the Lawrenceville School, Lawrenceville, N. J., became Lifers.

During the Commencement four more alumni became Life Members. The first of these who became a Lifer while attending his 35th reunion was George H. Burke who is in government employment in Washington at Coast Guard Headquarters. The second was William H. Davenport, '08, lawyer, of Metairie, La. The third was that of Samuel C. Miller, Jr., '41, who is teaching in the Edison Junior High School in Harrisburg. The last came from Donald R. Mikesell, '50, who is practicing law in Mehaffey, Pa.

Before he left for his summer vacation, Professor John C. Pflaum also became a Life Member of the General Alumni Association.

After Commencement a \$40 check was received from Dr. Harold L. Stewart, '24, who lives in Rockville, Md., where he is practicing medicine.

The next \$40 check was received from Mrs. Dorothy Tyson Newman, '51, wife of Maj. Gen. A. S. Newman, which was mailed from Heidelberg, Germany. The same mail brought in the check of J. William Stuart, '32, vice president of Chas. Pfizer & Co., of Brooklyn, N. Y.

At this point the Directory was mailed to alumni and the letters of C. Wendell Holmes, which brought in many payments of annual dues and 23 new Life memberships. The first came from Dr. E. Blaine Hays, '24, obstetrician and gynecologist of Carlisle, and two others from the Rev. Robert M. Hinkelman, '48, minister of Pharr, Texas, and Ruth Louise Troster, '49, of Norristown, Pa.

Four of these new Lifers raised the Class of 1955 total to six. They are Irwin J. Nelson, of Freeport, N. Y.; O. Jane Herr, of Lancaster, Pa.; Daniel P. Parlin, of Margate City, N. J., and Wilma V. Hatter, of Ruxton, Md.

A single day brought eight checks. These came from Dr. Neihl J. Williamson, '40, physician of Jersey Shore, Pa.; the Rev. F. Douglas Milbury, '28,

minister of Dover, Del.; Ammon L. Miller, '24, lawyer of Wilmette, Ill.; Mrs. Harry Lackey, the former Betty McCarthy, '53, of Jacksonville, Fla.; Melvin C. Tabler, '33, engineer of Collingswood, N. J.; Mrs. Maurice J. McKeown, the former Mary VanCamp, '25, of Maplewood, N. J.; Robert E. Bull, '48, lawyer of Nescopeck, Pa., and William J. Batrus, '38, lawyer of Washington, D. C.

Another day brought four more. These came from Charles S. Lee, Jr., '51, of Flourtown, Pa.; Dr. George L. Rubright, '42, physician of Wernersville, Pa.; William R. Headington, '39, of Oaklyn, N. J., and George C. Kaplan, '52, of New Rochelle, N. Y.

The first days of September brought the last three checks. They came from Dr. Franklin C. Werner, physician of Kansas City, Mo.; Chaplain John W. Weise, '25, of San Francisco and Gertrude E. Klemm, '27, teacher of Harrisburg, Pa.

Life membership costs \$40 and if desired may be paid in four annual \$10 installments. It carries life membership in the General Alumni Association and a life subscription to THE DICKINSON ALUMNUS.

### Receives Honorary Degree

Dr. Clyde E. Wildman, president emeritus of DePauw University, who came to the Dickinson faculty in 1952 as visiting professor of English Bible, has been named Thomas Bowman Professor of Bible, succeeding to the chair left vacant by the retirement of Dr. Lewis Guy Rohrbaugh last year. Another honor came to Dr. Wildman, over the summer when DePauw University, which he served as president from 1936 until his retirement in 1951, recalled him to the campus at commencement to receive the honorary degree of Doctor of Literature. In the citation, he was praised as an "excellent educator and administrator, noted teacher and warm friend."

## Small, Good Squad Reports For Football

**F**OURTEEN lettermen and a number of good prospects from last year's freshman eleven are the foundations upon which the new coaching staff of Briton "Brit" Piez, Joseph DuCharme and David Eavenson hope to build a winning football team in their first season at the college.

The 32-year-old Piez, a former Temple center, who was an assistant coach at Upper Iowa University the past three years, heads the staff. DuCharme and Eavenson coached together at Wyoming Seminary, boys' preparatory school, and had a fine record. (For further information about the new coaches see page 6.)

The ever-youthful Richard "Mac" McAndrews, on hand for his 44th season at the College, is serving in an advisory capacity and also as team trainer. Two Law School students, Raymond Phillips, '53, and Victor Bihl, who was on Princeton's 1951 undefeated team, fill out the staff. They are the freshman coaches.

The schedule for Dickinson's 71st season of intercollegiate football lists attractive home games against Western Maryland, Carnegie Tech, Juniata and Johns Hopkins. Juniata is the Parents Day opponent on October 22 and the Blue Jays of Hopkins will provide the opposition in the big Homecoming Day game November 12.

The schedule also features resumption of relations with Swarthmore, after a lapse of eight years and the initiation of football relations with Carnegie Tech. Swarthmore was Dickinson's first grid-iron opponent back in 1885.

Practice started on Biddle Field September 1, two full weeks before the reopening of College. Coach Piez and his staff lost little time in getting acquainted with the players and installing a new offensive system. The split T formation employed the past three years by A. C. Ransom, the former coach, was discarded for the split box attack with spread formations.

### 1955 Football Schedule

The enthusiastic squad is small in number but there are veteran players for nearly every position and some fine sophomore prospects. One of the big tasks of the new coaches is the development of replacements. They also want to step up overall team speed, particularly on attack.

Albert Barilar and Harold Kissell, seniors, are veteran quarterbacks and will do the passing. Charles Garwood, senior, and Joseph Donatelli are the only other lettermen for the backfield but there are good sophomore candidates in John Smith, 210-pound fullback, William Hutchison and Robert Kline.

Veteran material is more plentiful up front. Robert Woodside, a great center last season as a sophomore, is back and so are James Nellis, Robert Myers and Richard Graham, guards; Andrew Cominsky and Hughey Haughney, tackle bulwarks, and Frank Schwartz, a star pass receiver, Don Allegretto and Robert Koontz, ends. Harvey Bair and Robertson Taylor are sophomore standouts.

The team will miss David Orbock, a great star at guard for three years, and Joseph Kunda, rugged tackle, who were graduated.

## Two Faculty Members Enter Retirement

**D**R. WELLINGTON A. PARLIN, chairman of the department of physics and Dr. J. Clair McCullough, '09, Richard V. C. Watkins Professor of Education and a former acting dean of the College, retired from the faculty with the close of the academic year last June 30. "They served the College with great fidelity and higher education with devotion," said President William W. Edel.

Dr. Parlin, who came to Dickinson in 1930 to head the physics department following the death of Dr. Frederick Mohler, was on leave of absence throughout the 1954-55 term and retired because of his health. He found time in a busy teaching career to invent a ratiometer and refractometer. He also invented devices for demonstrating the difference in sensitivity of the eye to green and red light and for measuring the coefficient of restitution of small spheres.

A native of Des Moines, Iowa, he graduated from Simpson College in 1921, received the master's degree at the University of Johns Hopkins and his doctoral of philosophy at Johns Hopkins. He was on the faculty of Emory University from 1923 to 1926 and was a technical research assistant at Johns Hopkins when appointed to the Dickinson post. He and Mrs. Parlin will continue to make their home in Carlisle.

Dr. McCullough, who retired on age, devoted 46 years to teaching. Called to the Dickinson faculty in 1947, he applied wide experience in public school work to his courses in education and teacher training. Following the illness of Dr. Russell I. Thompson, he was acting dean of the College for a period in 1950, was given a full professorship in 1951 and named to the Watkins Chair of Education in 1953.

Beginning his career in Waynesboro, Pa., in 1909, he became principal of the high school there in 1914 and was superintendent of schools from 1918 to 1930. For four years he was director of education at the Pennsylvania Industrial

School, in Huntingdon, and then became state supervisor of education for the National Youth Administration. Returning to public school work, he was supervising principal of the Washington Township schools, Franklin County, Pa., from 1944 to 1947, and was called to the College in the latter year.

Dickinson gave Dr. McCullough the master of arts degree in 1912 and he received his Ph.D. in education at New York University in 1939. A prominent Presbyterian layman, he is a member of the National Educational Association, the Pennsylvania Educational Association, the Association of Liberal Arts College Teachers of Education and other professional organizations. He and Mrs. McCullough plan to continue to live in Carlisle.

### Professor Kuebler Leaves

Prof. Roy R. Kuebler, Jr., '33, a teacher of mathematics at the College since 1941, resigned in May to take a position in Washington, D. C., as mathematician in the Research and Development Division of the Office of Chief of Ordnance, Department of the Army. He is located in the Pentagon.

He was alumni adviser of the Phi Kappa Psi chapter, whose undergraduate members tendered a farewell dinner in his honor just before Commencement and presented him with a gold wrist watch as a token of their esteem and affection.

He had been associated with the College since his graduation with Phi Beta Kappa honors in 1933. For two years he was the assistant librarian and for the next six the superintendent of buildings and grounds and assistant treasurer. He was appointed to the faculty in 1941 to teach mathematics and at the time of his resignation held the rank of associate professor.

## Alpha Chi Rho Celebrates 50th Anniversary

By CLARENCE M. SHEPHERD, '10

**M**EMBERS of the Phi Beta Chapter of Alpha Chi Rho returned to the campus during commencement season last June to celebrate the Chapter's 50th Anniversary. Two charter members, James E. Dunning, '05, and Roy M. Dunkelberger, '06, were present. Jesse C. Phillips, '06, and Lynn H. Harris, '06, sent greetings. The five other original members of the Chapter, which was instituted January 21, 1905, were among the 46 departed Brothers for whom a memorial service was held.

Robert E. Knupp, '30, Chairman of the anniversary committee, was toastmaster of the banquet at the Molly Pitcher Hotel. Jim Dunning discussed the early days of the Chapter. Thinking it might be politic, as well as courteous, to call on President George Edward Reed of Dickinson, Jim stated that two of the national officers and two of the initiates visited him the day following the initiation and acquainted him with the principles of the new Fraternity, "to which he seemed cordial and friendly." Among the initiates were the editor-in-chief, the managing editor, and the business manager of the *Dickinsonian*. The Chapter received good publicity.

The highlight of the banquet was the burning of the second mortgage on the Chapter house by R. Harper Sheppard, '35, finance committee chairman, and chairman of the committee which made possible the purchase of the house on the corner of High and College Streets in 1946. Homer M. Respass, '17, Secretary-Treasurer of the House Corporation for twenty-six years, announced that the first mortgage had been reduced to \$8,000.

Guests included Past National President Thomas J. Frailey, '17, National President Ralph B. Williams of Ohio State, National Vice President Amos B. Horlacher of Wesleyan, National Secre-

tary Wilbur M. Walden of Cornell, and our own William W. Edell, '15, President of Dickinson.

Meanwhile the Garnettes, wives and sweethearts, were dining at Allenberry Inn, and later attended a performance at the Allenberry summer theater.

### Altoona Club Meets

The dinner meeting of the Dickinson Club of Altoona was held in the private dining room of the Y.W.C.A., Altoona, Pa., on May 12, 1955, with the president, Miss Jeanette Stevens, '10, presiding. Twenty-six were present at the meeting. The invocation was offered by the Rev. Herbert W. Glassco, '22.

At the brief business meeting following the dinner the nominating committee made its report and these officers of the club were elected: President, Jeanette Stevens, '10; vice-president, Raymond N. Hoffman, '30; second vice-president, Dorothy E. Harpster, '28; secretary, George Henry Ketterer, '08, and treasurer, George K. Cox, '40.

The faculty was represented by Prof. E. A. Vuilleumier and Prof. Benjamin D. James. The trustees were represented by Judge John M. Klepser and Dr. George Henry Ketterer.

Dr. Vuilleumier was introduced by the president of the club. His brief address dealt mainly with the origins of the C. Scott Althouse Chair of Chemistry and the Priestly Awards in Chemistry, now a very important part of the program of the College, and with the progress of the Faculty Committee on Curriculum. The Latin which he quoted in this connection was very impressive.

Dr. James was the next speaker. He dealt with the new courses provided for freshmen, new buildings being erected or to be erected on the campus, the new program for athletics and the present status of applications for admission.

## Phi Delta Theta To Mark 75th Anniversary

PENNSYLVANIA Epsilon Chapter of the Phi Delta Theta national fraternity was chartered on October 27, 1880, and is planning a gala 75th anniversary celebration in connection with Dickinson's Homecoming during the weekend of November 11 and 12.

All of the original founders of the chapter have passed into the Great Beyond. The seven founders were initiated into the fraternity early in 1880 by the Phi Delta chapter at Gettysburg which had been chartered five years earlier. These seven then petitioned the national fraternity for a charter at Dickinson, and their petition was approved that fall.

They immediately set up headquarters in a small rented room north of the College. A few years later the chapter hall was moved to the third floor of the then Post Office building on the north side of High Street just east of Pitt. In those days Friday night was fraternity meeting night on the Dickinson campus. Formal meetings were scheduled to start around 10:00 p.m. with informal smokers or talk-fests to follow.

In the early 1890's Phi Delta Theta had adopted as a national policy the ideal that all chapters should acquire their own fraternity houses. About this time the College trustees set aside the western edge of the campus to be developed as a "fraternity row."

The Phi Deltas accepted the College's invitation and Pennsylvania Epsilon's first chapter house was erected on the campus at the corner of College and Louthier Streets in the fall of 1899. Because of otherwise adequate dormitory facilities at the College, the house was constructed more on the order of a lodge building than of a fraternity house.

Like many another pioneer, however, Dickinson College's first chapter house to be owned by a fraternity fell into the shade of other and more adequate fraternity houses built around the campus in later years. Although the Phi Delt house was improved and the second floor turned

into dormitory space, it was too small to provide sleeping quarters for more than eight of its members.

In the late 1920's the College made overtures to regain possession of the campus site on which the Phi Delt house was built so that it could be used for the continued expansion of the College. By this time the Phi Deltas were also well aware of the need for more adequate quarters for the chapter, and actions were taken which terminated in the sale of the original chapter house to the College and the erection of a modern fraternity house at the corner of West and Dickinson Streets at the rear of Denny Hall and directly opposite the main college campus. The new house was opened in the fall of 1931, when the original chapter house was taken over by the College and made into the present Psychology Building.

The problems of financing the erection of a chapter house during a period of depression and of keeping it going during the period of World War II when reduced college enrollments made large houses white elephants were confidently faced by the chapter and its alumni. The loyalty of Dickinson Phi Deltas to their fraternity as well as their college, and their confidence in the future of both, was proved by the manner in which they saw their chapter through those bleak days. An interesting recollection of the period is that, during the worst of the war years, the College sought to maintain enrollments by bringing in more coeds and for a time leased the Phi Delt house for use as a girl's dormitory. With the end of the war the chapter again grew to a normal size and in the fall of 1946 resumed use of its house.

This past summer approximately \$10,000 was spent on the installation of new kitchen, dining room and bath facilities and in refurbishing the house. The formal dedication of these improvements will be held in connection with the forthcoming 75th anniversary of the chapter.

## Presents Dickinson's Clock at Delaware Club Dinner

THE presentation of John Dickinson's clock to the Friends of the John Dickinson Mansion, the appearance of the Men's Glee Club and the presence of 95 guests, marked the annual dinner of the Dickinson Club of Delaware held in the DuBarry Room in the Hotel DuPont at Wilmington on May 10.

John Dickinson's clock, "which has kept good time since the Revolution" was turned over on indefinite loan by President William W. Edel to Mrs. William A. Worth, the first president and the present secretary of the Friends of the John Dickinson Mansion. Mrs. Worth is the daughter-in-law of the late Robert H. Richards, Esq., who for years was a distinguished Delaware lawyer and a trustee of the College.

The Friends of the John Dickinson Mansion came into existence a few years ago to effect the restoration of the Dickinson home near Dover, Del. That group raised \$25,000 to begin the project and were aided by an additional grant in that amount from the Delaware legislature. A few days after the first campaign opened the college made a \$100 contribution to the fund.

The college acquired the clock after the death of Miss Maria Dickinson Logan on February 12, 1939. She was the great-granddaughter of John Dickinson and died in Germantown, Pa., in her 82nd year. In her will she left the clock, a marble lion, his desk chair and a case of silver to the college.

The clock is the work of Thomas Wagstaff of London. The works are of brass and the case is a white wood covered with a black lacquer. The mantel clock will be among the first furnishings to be placed in the Dickinson Mansion when restoration is completed.

Leon deValinger, Jr., state archivist of Delaware, attended the dinner and reported on the progress of the restoration.

The Executive Committee of the Friends of the John Dickinson Mansion consists of seven elected members plus

the Governor of Delaware and the President of Dickinson College.

Following the dinner, the Men's Glee Club rendered a half hour program before the presentation by President Edel. George Shuman, Jr., treasurer, also attended.

J. Ohrum Small, '15, retiring president, served as toastmaster. In the short business session Jack H. Caum, '34, was elected president and three vice presidents were named. They are Howard L. Williams, '40; Bernard Forcey, '20, and George T. Macklin, '11. Mrs. Leroy Corkran, the former Pauline Buck, '24, was elected secretary and Arthur W. Koffenberger, Jr., '48, treasurer.

### Two Get Rotary Awards

Dickinson may be the only college having two of its graduates doing advanced study abroad this term as Rotary Foundation Fellows. Not long after the Rotary Foundation announced the awarding of a fellowship to Elizabeth A. Swaim, '54, Susan Marquardt, of last June's graduating class, received a similar award. Both are Phi Beta Kappas and as undergraduates were very active in campus affairs.

Miss Swaim received the degree of master of library science at the Carnegie Institute of Technology in June and in mid-summer sailed from New York with her former Dickinson roommate, Jeanette Leavitt, for a 30-day guided tour of Europe. At conclusion of the tour, Miss Swaim will enter the University of St. Andrews, in Scotland, for a year's study as a Rotary Fellow.

Miss Marquardt, of Briarcliff Manor, N. Y., was nominated for her Rotary award by a district comprising New York City, the populace West Chester County in that state and Bermuda, B. W. I. She will study at the University of Grenoble, in France. At Dickinson, she served on the debating team, the staffs of the

*Dickinsonian* and *Microcosm* and was a member of Wheel and Chain, Tau Kappa Alpha and Pi Beta Phi and graduated magna cum laude after having been

awarded the \$200 Hufstader Prize as the woman in the graduating class having made the greatest contribution to the College.

## Men's Glee Club Sings At Washington Club Dinner

A fine program by the Men's Glee Club of the College and a banner attendance of 105 featured the annual dinner of the Dickinson Club of Washington held at the Chevy Chase Methodist Church on May 6. It was the first appearance of the glee club in the nation's capitol.

President William W. Edel, Dean Frederic W. Ness and Professor Edgar M. Finck, of the faculty, were the representatives of the College attending the dinner. They participated in a question and answer panel meeting.

H. Lynn Edwards, '36, '39L, who completed his two-year term as president of the club, served as toastmaster. Dr. Asbury Smith, '23, District Superintendent,

offered the invocation and Dr. Dayton E. McClain, '06, vice-president of American University, pronounced the benediction.

Paul A. Mangan, '34, who was elected a member of the Alumni Council earlier this year, was elected president of the club. For the past five years he has been an industrial cost accountant with the Bureau of Ships, U. S. Navy.

Dr. Robert N. Coale, '39, physician of Bethesda and William J. Batrus, '38, '41L, attorney, were elected vice-presidents. John Springer, '44, was reelected treasurer and Maude E. Wilson, '14, secretary, while Mrs. John Rowland, the former Louise Patterson, '27, was reelected assistant secretary.

## Lands Damaged Plane

Another episode in the remarkable career of Col. Richard H. Ellis, '41, was added last May 21. While flying at an altitude of 8,000 in thunderstorms, a plane he piloted suffered a simultaneous failure of both engines and the windshield of the plane broke.

The plane, a G-47, was being piloted from Copenhagen, Denmark, to Paris, France. The mechanical failures developed while the plane was near Deftinge, Belgium.

Col. Ellis ordered his crew to bail out and crash landed the plane safely in a field near Deftinge. He was not injured. At the time of the crash he was assigned as chief of the Special Operations Section, Supreme Headquarters, Allied Powers in Europe at Marley, France.

During World War II, Col. Ellis receive world-wide acclaim for his feats in the Pacific Theater of operations. He had hundreds of combat missions.

## Full Professor At Union

Dr. Frederick A. Klemm, '33, a teacher of German at Union College since 1947, was promoted to the rank of full professor in the department of modern languages in June. He has also served in recent years as director of Union's evening division program.

After graduating from Dickinson, Prof. Klemm spent a year at the University of Goettingen, Germany, as an International Student Exchange Fellow and returned to Europe in 1938 under a Jusserand Traveling Fellowship. Duke University awarded him the Master of Arts degree in 1935. He received his Ph.D. from Pennsylvania in 1939 and for a number of years was an instructor in German at that university.

Many articles by Prof. Klemm have appeared in the *American-German Review*, *Modern Language Quarterly*, *German Quarterly*, *Monatshefte* and other publications.

## Advanced by American Cable Corporation

**T**HE American Cable & Radio Corporation, suppliers of worldwide service by cable and radio-telegraph, announced in August the election of John A. Hartman, Jr., '32, to a vice-presidency of three of its affiliates, All America Cables & Radio, Inc., Commercial Cable Company and Mackay Radio & Telegraph Company.

Hartman, an attorney, entered the legal department of American Cable & Radio Corporation in 1946 and became an assistant vice-president of the three operating companies in 1952. AC&R is an affiliate of the International Telephone & Telegraph Corporation.

A native of Windber, Pa., Hartman entered Dickinson in 1928 from Mercersburg Academy and after his graduation in 1932 went on to study law at George Washington University which awarded him a degree in 1936. He has been admitted to practice before the U. S. District Court and Court of Appeals for the District of Columbia and the U. S. Supreme Court.

After two years as a law clerk in the Tax Department of the U. S. Department of Justice, he went with the Federal Communications Commission in Washington as an attorney and served in this capacity until 1942 when he entered the Army Air Force as a first lieutenant. He rose to the rank of lieutenant colonel and saw service in the European, African, Middle Eastern and Pacific theatres. The Legion of Merit was awarded him for services of "inestimable importance" while commanding officer of the Army Air Forces Crystal Banks at Wright Field, Ohio. He left the service in 1946 and went with the American Cable & Radio Corporation as an attorney.

His father, John A. Hartman, was a member of the Dickinson School of Law class of 1896 and a prominent attorney in Windber, Pa., for 50 years. Father and son made the news in 1940 when they were admitted together to practice before

JOHN A. HARTMAN, JR.

the U. S. Supreme Court. The father died in 1948.

The younger Hartman is a member of Phi Kappa Sigma. He and his wife, the former Theo Campbell, of Pyriton, Ala., reside in Westfield, N. J. They recently returned from a 10-week tour of Europe.

### Receives Award Of Merit

Dr. Howard E. Moses, '98, of Harrisburg, Pa., was the recipient of an Award of Merit presented by the Pennsylvania Public Health Association "for fifty years of distinguished service and outstanding contributions to the advancement of public health engineering in the commonwealth of Pennsylvania" at an annual health conference held at Pennsylvania State University in August. The award was made in recognition of his role as an engineer in public health work. Previously, the recipients mostly were members of the medical profession.

Dr. Moses is director of the Bureau of Sanitary Engineering of the Commonwealth of Pennsylvania and holds an honorary degree of Doctor of Science from the College.

## Pfizer Elects Stuart Personnel Vice President

**J.** WILLIAM STUART, '32, specialist in industrial relations and personnel administration, has been elected as vice president, personnel, of Chas. Pfizer & Co., Inc., of Brooklyn, N. Y., it has been announced by the company's board of directors.

Mr. Stuart, director of industrial relations for the pharmaceutical and chemical manufacturing company, joined Pfizer in 1941. He was elected a member of Pfizer's board of directors in 1950. He went to Pfizer after eight years of service with Spencer Kellogg & Sons, Inc., Edgewater, N. J.

Pfizer's work force has grown from 700 to more than 8,500 people since he joined the company. Under his supervision the company's pension, hospitalization, insurance and other employee benefit programs have been expanded.

He is president of the New York Personnel Management Association and a past president of the Brooklyn Management Club. He belongs to the Brooklyn Chamber of Commerce and is a member of the Industrial Relations Committee of the Commerce and Industry Association of New York. He is a trustee of the Incorporated Village of Munsey Park, Long Island, N. Y., where he and his family reside.

Born in Carlisle on December 3, 1910 he graduated from the Carlisle High School and from the College in 1932. He is a member of Phi Kappa Sigma Fraternity, the Presbyterian Church and a Life Member of the General Alumni Association.

He married his classmate, Helen D. Stover, in Englewood, N. J., in 1937. They have a 17 year old son, Robert Bruce, and a daughter, Helen Wynne, who is fifteen.

### Receive Navy Commissions

Edward J. Hilbert, Jr., '53, of Hanover, Pa., and Peter J. Ressler, '54, of

J. WILLIAM STUART

Shamokin, Pa., received their ensign commissions in May when they graduated from the Navy's Officer Candidate School at Newport, R. I. They were members of the 20th class of Reserve Officers.

### Lehigh Valley Club Meets

A fine dinner and an excellent meeting featured the annual dinner of the Dickinson Club of Lehigh Valley held at the Lehigh Valley Club, Allentown, Pa., on May 19 with 30 present.

Dean Frederic W. Ness and Treasurer George Shuman, Jr., were the College representatives and William A. Steckel, '42, retiring president of the club, served as master of ceremonies.

Jerome W. Burkepile, Jr., '40, '43L, lawyer of Northampton, Pa., was elected president. Mrs. R. H. Griesemer, the former Katherine Keller, '33, who had been secretary-treasurer, was elected vice-president. Mrs. Walter L. Sandercock, the former Evelyn V. Learn, '29, of Pen Argyl, was chosen secretary-treasurer. These officers with Bill Steckel, James H. Bates, Jr., '48, and Frank W. Shelley, '50, form the executive committee.

## “A Personal Word”

**O**FFICERS of alumni clubs, members of the Alumni Council and other alumni have received letters earlier this year critical of the officers of administration of the college. Others have heard these reports by word of mouth.

These facts led President William W. Edel in his annual report to the Board of Trustees at their annual meeting in June to include “A Personal Word.” This read “Members of the Board are undoubtedly aware that the President of the College has been subjected to some very intense and bitter criticism by a small group of present and former members of the faculty. While most of this criticism has been of the whispering campaign type, some has been made public by an equally small group of alumni. I do not feel that it is necessary for me to make any detailed answer to this criticism, although I am ready, of course, to do so if members of the Board wish it. Instead, I will stand squarely on the cumulative record of the nine years of my administration and let the members of the Board decide whether or not I have been faithful to my trust.”

This statement was the closing paragraph of President Edel’s report to the Trustees. When it was read, the following resolution was presented by Robert E. Woodside.

Whereas, there has come to the attention of the members of the Board of Trustees of Dickinson College certain criticism of the administration of the College, which if ignored by the Board, may continue to give concern to the alumni and to the faculty;

Now, therefore, be it resolved that the Board of Trustees hereby express its complete confidence in the administration of the College.

On motion of Robert E. Woodside, seconded by Paul L. Hutchison the resolution was adopted by a standing vote followed by long applause.

## College - Fraternity Relations

**W**HEN a Committee of the Board of Trustees on College-Fraternity Relations went to work after its appointment following the December 1954 meeting of the Board and while the Joint Commission on Fraternity Relations, consisting of Faculty appointees and the Fraternity Alumni Representatives, was in action, a tempest in a teapot was fomented when alumni heard conflicting and incomplete reports of what was going on.

The sororities did not become embroiled but stories spread that the officers of the College and the Trustees were about to abolish fraternities, wreck their financial structure and thus doom them to oblivion, or in other ways hamper their life and existence.

Many lost sight of the fact that the officers of the college are active in their own fraternities as are all members of the committee on Fraternities of the Board of Trustees. Robert E. Woodside is chairman of the Committee with Boyd Lee

Spahr, a member Ex-officio. The others are F. LaMont Henninger, Lewis F. Gayner, Glenn E. Todd and Robert A. Waidner.

The committee prepared a report for the June meeting of the Board, which is to be amended and further revised and given to the fraternities at a later date in order that their student and alumni officials may consider the findings and recommendations of the committee. Two recommendations of the committee were adopted by the Trustees in June.

The first of these recommendations provided that "no new national social fraternities be permitted to organize or reactivate a chapter at Dickinson College, unless and until there is a substantial increase in the male student population."

The second recommendation provided that "the administration be authorized to require freshmen to eat in Morgan Hall for the first semester."

## Touring Orient At Government Request

**I**F Winfield C. Cook, '32, internationally known businessman and president of Vita Craft Pennsylvania Sales, Inc., who is currently making a 30,000-mile tour of the Orient and Antipodes at the request of the U. S. Government, maintains his tight travel, he'll get back to this country just in time for the annual Homecoming meeting of the Alumni Council on Friday night, November 11. He is serving the second of a three-year term on the Council.

It will be a close call. Cook and his party set off September 20 on the six-week tour and are scheduled to return November 10. "I'll be there for the meeting if at all possible," wrote he to the College before his departure. "I hate to miss meetings of the Council."

In the Orient, as was the case in his similar trips to Europe for the Government, he will meet the top business executives and governmental officials of every country he visits, sharing with them the know-how of the American business leader. After the first stop in Tokyo, he will go on to Manila, Singapore, Hong Kong, then down through Thailand, Australia, New Zealand and home.

Cook, master of the direct sale, who worked his way through Dickinson and since then has built companies founded on door-to-door salesmanship, should

WINFIELD C. COOK

have no trouble "selling" American business methods and good will on the current tour.

Not long before he sailed he was elected president of the National Association of Direct Selling Companies at its 41st annual convention in New York City and addressed 1,500 executives and their wives at the convention banquet. He is an officer in a number of direct sales and other companies, in addition to serving as president of Vita Craft Pennsylvania Sales, Inc.

### The 25th Reunion

By ALICE E. HACKMAN

The Class of '30 held its twenty-fifth reunion over the Dickinson College Alumni week-end of June 11 and 12. The highlight of the Alumni Luncheon, at least for the Class of '30, was the presentation of the class gift, the largest single contribution of a reunioning class, the sum of \$3,000 to be used as a scholarship fund. This was presented by the Rev. Dr. E. F. Hallock, president of the Class of '30.

Saturday evening a banquet was held in the Stock Memorial Hall, at which 61 members and guests were present. Following the banquet and the taking of the class picture, a program was presented with President Hallock in charge. During a brief business meeting minutes were read by the secretary and the treasurer's report given by J. Edward Nolen. Members of the class discussed future class gifts, with the majority in favor of augmenting the scholarship fund.

Class members, who were then called upon, spoke briefly of their post-college activities and following this, letters and cards from absent members were read by Harold Weigel.

The two honored guests of the class,

Dr. Wing and Dr. Vuilleumier, delighted everyone with their witty and reminiscent talks. Additional humor was added by the presentation of amusing "awards" to members who excelled in one field or another—for example, having the most grandchildren or the least hair! This concluded the 25th reunion of the Class of '30.

The following members attended one or more of the reunion events: Lewis F. Adler, Esq.; Geo. W. Atkins, Esq.; Dr. Jos. P. Atkins, John E. Biddle, C. Lincoln Brown, Dr. Tobias H. Dunkelberger, Elsie Ferris Shuman, Elinor Green Spencer, Dorothy Gress Dougherty, Evelyn Greevy Finster, Alice E. Hackman, Rev. Dr. Everett F. Hallock, Raymond Hartshorn, Walter D. Heckman, Dr. Edward Hoberman, Miriam Horst Middleton, Eleanor James Schneider, William L. Johns, Alfred O. Keedy, John F. Kelso, Dr. Edward S. Kronenberg, Jr., Evelyn Kinter Herritt, Harold A. Kline, Robert E. Knupp, Esq., Katharine Morris Hoy, James K. Neving, Esq., A. Caroline Noolen, J. Edward Nolen, Vincent S. W. Paczkoskie, Catherine Porter Hallock, Frances Robinson Klinger, Dr. Lewis H. Rohrbaugh, Gilbert F. Schappert, William B. Sharp, Rev. Robert F. Sheaffer, Ralph A. Sheetz, Cornelius L. ## OBITUARY

1885—Guy LeRoy Stevick, 90 year old retired vice president of the Fidelity and Deposit Co. and attorney, died at his home in Atherton, Calif., after a short illness on July 13. In 1946, Dickinson College conferred upon him the honorary degree of Doctor of Laws.

Born in Newburg, Pa. on March 27, 1865, he attended the Dickinson Preparatory School and received the A.B. degree upon his graduation from the college in 1885, and an A.M. degree in 1888. He was graduated that year with an LL.B. degree from the University of Pennsylvania. The same year he began the practice of law in Denver, Colo. and in 1910 he became general counsel and vice president of the San Francisco offices of the Fidelity and Deposit Co.

On April 16, 1889, he married the former Marion Pratt, daughter of Col. R. H. Pratt, who was the founder and first commandant of the Carlisle Indian School. She died about two years ago. They had ten children. Three of his sons, Guy LeRoy Stevick, Jr., Theron P. Stevick and Mason D. Stevick, preceded their father in death. He is survived by two sons, Gerold C. Stevick, of Casablanca, Morocco and Donald Stevick, of Menlo Park and five daughters, Mrs. Randolph Sizer, of Berkeley; Mrs. Richard N. Taylor, of Cairo, Egypt; Mrs. Charles Wells, of Atherton; Dorothy Stevick, of San Francisco and Mrs. Arthur W. Ellis, of Palo Alto. He also leaves 13 grandchildren and 3 great-grandchildren.

He was a member of Phi Beta Kappa and Chi Phi fraternity, a Mason and a member of the Shrine. He was also a member of the American and California Bar Associations and the Fellowship Forum of Palo Alto.

He was the author of a study entitled "Status of Unincorporated Associations in Pennsylvania," and several other papers on surety and insurance policies.

With a life-time interest in Dickinson affairs, he was a Life Member of the General Alumni Association and an annual contributor to the Annual Giving Fund. The July issue of the *Bulletin* which was published before his death told of the fact that he always made a contribution to the Alumni Fund of \$1.00 a year for each year he was out of College. Last year one of his gifts was for \$70. Since his death several contributions have been received in his memory from friends and business associates.
