BIOGRAPHICAL NOTE

Michelle Ehrich entered Dickinson College in the fall of 1977, having graduated in June of that year from Scotch Plains-Fanwood High School in New Jersey. While at Dickinson, Michelle majored in Economics. During her junior year (1979-80 academic year), she studied abroad at Dickinson's program in Bologna, Italy. Michelle was elected to Phi Beta Kappa in April 1981, and she graduated magna cum laude in May. Following her graduation from Dickinson, she returned to Italy for several months.

COLLECTION DESCRIPTION

The Michelle Ehrich Collection is housed in one document box and is organized into two categories: Correspondence and Miscellaneous. Michelle Ehrich donated this collection in 2017.

The Correspondence series contains 57 letters, all written by Michelle to members of her family, primarily her parents. Most of the letters were sent during Michelle's junior year abroad in Bologna, Italy from the fall of 1979 to the spring of 1980; a few letters date from the summer of 1981, Michelle having returned to Italy for several months following her graduation from Dickinson College. In her letters home, Michelle describes her life abroad, adjusting to a new culture, learning to speak Italian, and traveling around Italy and to other parts of Europe. She also writes about classwork, people she met, and financial matters. Upon her return to Italy in 1981, Michelle wrote about life with the family for whom she worked as a nanny. The letters are arranged in chronological order, with undated letters placed at the end.

The Miscellaneous series contains a humorous note written by Michelle while she was working at the International House of Pancakes (IHOP) during the summer of 1978, a copy of the Bologna program calendar for 1979-80 with her notes for "Important Stuff" she had to do

before leaving for Italy, and a paper she wrote for the Bologna Practicum course, titled “The Student Housing Crisis in Bologna...The Facts and Their Political Interpretations.”
