Rev. & Dear Sir

Inclosed I send you ~~I send you~~ a check on
the Bank of the United States, Philad^a payable to your order
dated April 20. 1827. N^o 324 & signed J Hunter Cashier -
The statement on the first page was handed me by W^r Williams,
the Agent. W^r Thomas Butler wishes the Christian Advocate
to be continued to him & W^r Williamson has promised to pay.
W^r Williams is an excellent Agent

W^r H. H.

~~W^r H. H.~~ The wretched state of W^r How's health has induced me
to believe that it is my duty to leave this Southern Country & al-
-though I have resigned my pastoral charge of this congregation.
An effort has been made to induce me to recall my resignation
but strong reasons led me to believe it my duty to persist in it
~~my resignation~~ - This step I have taken after very mature delib-
-eration & I hope fervent prayer - & while my friends express great
regret - yet they do not censure me - I am now thrown peculiarly
on the care of divine providence - My trust is however that God
will mercifully direct my way. Should we live to see each other
& it be agreeable to yourself I shall be happy to converse with you
on this Subject. - W^r How has had a great deal of very distressing sickness

If we hope that a return to the North will by the blessing of God restore
her to health - Accept the Assurance of my sincere esteem & respect.

Very truly Yours

Samuel B How

Dear Sir,

Inclosed I send you ~~I send you~~ a check on the Bank of the United States, Phila. payable to you and dated April 20, 1827 No. 324 and signed J. Hunter Cashier. The statement on the first page was handed me by Mr. Williams the agent. Mr. Thomas Butler wishes the Christian Advocate to be continued to him and Mr. Williamson has promised to pay. Mr. Williams is an excellent agent.

[The] wretched state of Mrs. How's health has induced [me] to believe that it is my duty to leave this Southern Country and accordingly I have resigned my pastoral charge of this congregation. An effort has been made to induce me to recall my resignation but strong reasons led me to believe it my duty to persist in it – this step I have taken after very mature deliberation and I hope fervent prayer - and while my friends express great regret – yet they do not censure me. I am now thrown peculiarly on the care of divine providence – my trust is however that God will mercifully direct my way. Should we live to see each other and it be agreeable to yourself I shall be happy to converse with you on this subject. Mrs. How has had a great deal of very distressing sickness.
