United States Commission, Fish and Fisheries,

Washington, May 21, 1877.

Dear Prof. Bell.

I cannot imagine what has become of your books. They assure me that they were positively taken to the Post-Office. May it not be that a little of the blame applies at your end of the line? Perhaps there was some informality in the stamping? I will have another set sent; however, which I hope will be more successful.

Yours truly,

Spencer Baird

Prof. Robert Bell.
