Dear Sir,

Carlisle Nov: 12th 1799

You were so kind as to say, when you visited Lancaster, that you would cause search to be made for the Return of the Survey of the tract at Harbour Creek on Lake Erie, which the Legislature granted me in lieu of the Island. Being informed that you are to be at Lancaster this week, I take the liberty to remind you of it. —

A short time previous to the (vacation, if I may so term it) of the City, I wrote to our mutual friend Mr. Beckley, requesting him to converse with you on matters then in agitation, he had not then an opportunity, — when he was up here I desired him, in addition to commune with you on sundry points, some of them relative to views or wishes of my own; when you return to City, I hope ~~you~~ ^{you} will give him as early an opportunity as convenient, for that purpose. —

In consequence of your letter to the Commissioners, on the Wyoming business, General Boudo, has written to me to meet at Lancaster, the 15th instant. — I have answered, that being unwell I am not promise to attend, at such short notice, — but if indispensably necessary, & I am notified, I will meet the first week — of the sitting of the Legislature. &c. —

I am, Dear Sir,
Your most Obedt. Servant,
Wm. J. Wine?

A. J. Dallas, Esq.
