Philad. 11th Sept. 1784

Gentlemen

M^r Davidson has Quitted of our Call and
is Dismissed from the Presby here and he has also
resigned his professorship in the university and
you may expect him at Carlisle at farthest
the second week in Oct^r you will no doubt see
the necessity of preparing for him the houses
and to get waggons to come down in order to bring
up his furniture the first week in Oct^r

there is like to be warm work between
the Council of Berron and the Assembly the former
by Letter Demand the papers respecting the Woyons
affair and the Letter refused complying with the
Demand and wou^d not suffer the Letter from the
Council to Lay on the table both Bodies are on high
terms how it will End is uncertain

the assembly has taken up the affair of the
university and it is to be debated this day it is
generally thought that it will be returned to the former
trustees Dr Smith attend close after a long debate on
the above affair it is postponed untill Tuesday and
the parties are to be ~~heard~~^{heard} by Council this affair in
all probability will take up the whole time that the
present assembly can sit

it is expected that a sufficient number of
Delegates will be here in the course of a ~~week~~ week
to compose a Committee and will sit here

should be glad to know what preparation
are making for Mr Davidson and in what
forwardness —

I am with respect your
Very Humble Servant
