Washington Oct. 23. 1852

Dear Marshall.

There are two or three duplicate sets of Congressional Volumes ^(for different Sessions) amounting perhaps to 50 or 60 among the set in the College Library, which the State Department is very anxious to have back, as they were sent by mistake year ago. They are much wanted to make up Series for California. Oregon &c. Will you not have them boxed up and sent to the Smithsonian Institution soon as possible. Sent by freight car to Baltimore, consigned to Adams Express.

I shall send in a day or two a big bunch of books for the Library
A. A. Marshall
Yours truly
W. Baird
