Dear Dr. McIntire -

You, probably have decided by this time, that I have forgotten all about the old Dickinson diploma, medal etc. that were promised to you last summer at Longfellow Inn. This, however is not the case, as I have thought about sending them many times; but owing to so many things to claim my attention since my return home from the inn, will account for my tardiness.

The programs may not be of much interest to you; but will send them along.

The class of 81' was a credit to Dickinson. Probably six of these its members entered the ministry - my husband, Charles H. Rorer, being one of the number, who received the

medal for oratory from the
Belles Lettres Society.

As we all know, Dr. Gamewell
was very distinguished in China
during the Boquer Rebellion.

I should have some of the "packing"
used in the compound where he,
his wife and others sought refuge,
but cant find it at the present
time.

Would a picture of this class
be of any interest to the collection?

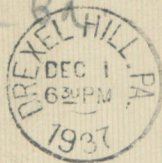

The enclosed clipping was
taken from one of our papers (not
long ago).

I enjoyed meeting you and
your family last summer.

With kindest regards to you all,
I am, sincerely

(Mrs. Geo. W.) Carrie A. W. Cobb
