Abt. Buchanan

Jan'y 27. 48.

Dr Sir,

Would it taxing your friendship too far
to ask that you send me a copy of Buchanan's
letter to the Commrs. of your County, wherein he
effratiated himself, and repudiated his residence
in Lancaster, and also inform me ^{about} what amount
of tax he paid there. Please also inform me
where & in what paper his speech of 1815 was
first published, and whether that first publication
contained the assertion that "if he supposed that
he had any democratic blood in his veins that
he would let it out." Your letter shall be
confidential if you desire. I am desirous
of the information asked at the earliest day
possible. I will be with you in the 4th of
March convention.
