Mr. Lda, Sep 11, 19. '94

My dear Mr King,

I should be delighted to be with you tomorrow evening - but I seldom go out after sun-set -

I read a paper on the philosophy of Dreams - ~~40~~ years ago - I would be glad to hear your Essay - One thing is certain - without the aid of the Metaphysics of Herenology, you can not explain the phenomena of dreams.

This said in <sup>the</sup> Bible that old men dream dreams - & that young men shall see visions - But if Shakespeare spoke correctly - "visions" - are such stuff as dreams are made on".

That your evening may be spent "in the noon of thought" & your night in the dreams of happiness - is the sincere wish of your old friend

Hon. H. King,

Thaddeus Capen

P.S.

My Capen sends her best regards - with my own to Mrs King. Excuse haste & brevity -

T.C.
