Phila^a Sept 7 1800

Sir

I have received your favor of the 26 August, making known to me that Gen Jackson had passed his draft upon me in your favor for \$1740 — From the Tenor of my correspondence with Gen Jackson on the Subject of his right to draw upon me, I had no reason to suppose that he would have again renewed his draft — for I had explicitly informed him that I did not conceive myself liable for any charges of this Nature, arising out of an Agency, with which at the period the debt was contracted, I had no Species of Connection or Concern — With respect to his draft of 1000 Dollars, which he informed me he was unable to take up & would distress him if it returned, I have with very great Inconvenience to myself, found the Means of paying & have charged to his private Account — After this Act of Friendship towards him, I little supposed that he would recede on me for an additional sum, with which it is not in my power to accommodate him, as my Disbursements
