Jan 5. 1861

To the President of the United States
I understand that John
C. Perry Esq will be an applic-
ant for a judgeship in one
of the organized Territories.
I have known
Mr Perry intimately for a num-
ber of years, and can speak
confidently of his integrity
and capacity. As a lawyer
he has much ability, and is
excellent but by few young men.
His character is of the purest
moral type; and all his
sympathies and feelings are those
of the refined gentleman.
At the same time he has
much energy of character, and

resolution of purpose.

His appointment would
gratify many political friends,
and the government would
secure an upright and effi-
cient officer.

With assurances of respect

I am
Your obedient servant

Wm B Wright

I very cheerfully concur
in the above recom-
mendation.

A long & intimate acquaint-
-ance with Mr Perry enables
me fully to acquiesce in all
that is said of him in the
foregoing letter. I know of no
young man of his age, so
well qualified for a judi-
-cial position, His private
and professional character
are above reproach, and
it gives me great pleasure
in recommending for the
place he seeks.

I cheerfully concur in the
foregoing recommendation,
