H
Hudson January 12, 1861

To the President of the United States

Sir,

It gives me pleasure to recommend John C. Perry Esq of New York to a judicial appointment in one of the Western Territories. Having had occasion to become well acquainted with him in my professional & judicial experience, I feel very great confidence that he would not disappoint the just expectations of his friends that he would make an able upright and impartial Judge. Through

still a young man his
legal attainments are
highly respectable. His business
habits I understand to be good,
and his private character in-
approachable. His gentlemanly
manners, industrious habits,
good legal capacity, and
unquestionable energy of
character entitle him to
success in life, and to the
favorable consideration
of the Executive department
of the new administration.

I trust it may be in your
power to gratify his wishes

with much respect

Your obedient servant
H. H. Gibson
