Sir

You will blame me for not having
waited upon you; but besides a great hurry of
engagements the Absence I had in the country
has returned upon me here, and confined me
very much. I return your friend's papers, and
when I see you, shall show you, for his ser-
vice, another communication on the same
subject from Andrew Oliver Esq of New England.

I am going into the Country, but shall
return in about a month.

I am, Sir,
