Dec. 15. 72

Dear Samson

The remedy for Eczema
I promised to send you - consist in the
application of Acetic Acid of 8° Beaumé.
Night and Morning, rubbing it on
the parts at first but ^{the} soon ceases: and
is less troublesome afterwards. A few
applications stop the disease for the
time, and when it again returns, the treat-
ment is renewed - until finally the
cure is effected

Yours truly
A. W. Beard
