Washington, March 29, 1873.

Dear Lawrence.

Can you find out whether there is any one in N.Y. who makes Dynamite Cartridges, & if so, of what Charges, & what is their cost per thousand; also, whether they could be carried along on a Government expedition for the purpose of blasting out crevices of rock, or exploding under water; for the purpose of killing fish.

Very truly Yours.

J. V. Barry
