Dear Sir

Since I saw you it has occurred to me that there is no proof in Mr. Conces case that makes the Eye of Gautham was not valid - You will please see that this proof introduced into the proceedings before a decision takes place - The Bill as to him cannot be taken pro confesso without such proof - And I need not I own say more upon you the necessity of seeing that the proceedings on this part of the case are perfectly regular -

Truly yrs R. B. Torrey
