DICKINSON COLLEGE

PROJECT AFRICA

in cooperation with

Tenth

OPERATION CROSSROADS

AFRICA

Summer, 1968

BACKGROUND

Through financial support of selected students, Dickinson College is a sponsoring institution of Operation Crossroads Africa, an organization which provides a vital experience of living and working with African counterparts in an African nation. A summer with OCA is a unique opportunity for students to enjoy and begin to understand very different cultures while informing others of their own, thus resulting in a fostering of human relations and international understanding by crossing racial, religious, and national differences.
