DAILY SENATOR REVIEW OF DICKINSON VS. SWARTHMORE

First Quarter: Swarthmore kicked off and the Red Devils gained possession on the 25yd. line. In eight plays the Red and White marched to the Swarthmore 27yd. line, mainly through the efforts of three passes from DiOrio to Zuyus. The drive was then halted, when Swarthmore intercepted DiOrio's fourth pass on their own 26 yd. line. Swarthmore's fleet halfback, Luck, rushed 24 yards on four carries to midfield. Defensive back Bill Smith put this drive to an end and almost busted the game wide open, as he intercepted a Lillie pass on D'son's 44 and twisted down to the 5 yd. line of Swarthmore. On a series of poorly called plays, the Red Devils were stopped on the one foot line. Reminiscing, last year the Red Devils lost 18-23 and were also stopped within one yard of the goal. Swarthmore got their first break with a quick kick and a Dickinson fumble on the Swarthmore 45 yd. line. The first quarter ended shortly after Swarthmore kicked on a fourth down situation and Dickinson again fumbled deep in their own territory. Score: Dickinson 0--Swarthmore 0

Second Quarter: The Swarthmore bid for the initial TD was thwarted by Dick Warden, when the defensive safety caught a pass in the end zone for a touchback. The Red Devils marched to midfield and ran into more trouble. With a 3rd and 17yd. situation DiOrio threw to end Harry Packard for 22 yds. and a first down. This drive halted on Swarthmore 30yd. stripe after three incomplete passes. An exchange of punts gave Swarthmore possession of the ball on their own 43yd. line. Swarthmore then started another deep penetration of Dickinson soil, but Sonny Shoff stopped this, when he recovered a fumble on the 29yd. line. What could have been another break for Swarthmore, resulted in a Dickinson first down. Walt Duckley came in to quarterback and on 4th and one foot to go on their own 39yd. line, crashed through the line for the needed yard. Swarthmore regained possession on their own 27yd. line as Duckley tried the long pass down the right sideline to Dan Shaver. At the final gun for the half, a Swarthmore drive was again halted by Warden with an interception on the Dickinson 30yd. line. Score: Dickinson 0 Swarthmore 0

Third Quarter: The Red Devils received the kick off and Warden returned the pigskin to the Dickinson 31yd. line. Swarthmore then intercepted their third pass and gained control on their own 47yd. line. Rushing for 43 yds. in seven carries, Swarthmore fumbled on the ten and Shaver recovered for the Red and White. Warden's punt was then taken by Duck on Dickinson 42 and returned to the 26yd. line. Quarterback Lillie, after five plays plunged over from 1 yard out for the TD and Spann made the conversion for the first score of the game. With four minutes remaining in the third quarter, Kilpatrick received the kick off and returned the ball to the Big Red's 39yd. line. The daring Red and White again had a fourth and one play at midfield and Warden was called on to bring home the bread and butter. The next two plays threw the Devils back to their own 43yd. line. Duckley then connected to Warden for 14yds. and to DiOrio for 6yds., but the attempt missed by inches and Swarthmore regained possession on their own 37yd. stripe, as the third quarter came to a close; Score: Dickinson 0 Swarthmore 7

Fourth Quarter: Dickinson regained possession early in the fourth quarter, when Swarthmore punted out of trouble into the Dickinson end zone. The Red and White again took to the air. They looked as though they were well on their way again, but Duckley's pass was intercepted by Peelle on the Swarthmore 37yd. line. Swarthmore again punted out of trouble, but Dickinson was unable to take advantage as a fifth pass was intercepted and the men from Swarthmore took over again on their own 38yd. line. Duck then had to punt Swarthmore out of trouble and so he did, as the pigskin rolled out of bounds on the Dickinson 1yd. line. The Red and White began to roll again on a pass to Zuyus and a personal foul on Swarthmore, but the opposition's alert backfield picked off their sixth pass and marched down to Dickinson's 10 yard line, where the Devils took over. Two passes to Packard moved the Devils to the 20yd. line. The next pass found Shaver all alone behind the Swarthmore defense, but the fleetfooted halfback ran over his own feet because of the dive he made for the pigskin. This 43yd. pass was probably the farthest connection that DiOrio has made in college ball and second only in recent years to Duckley's bomb to Thomas in last year's Homecoming Game with Johns Hopkins. The Red and White were now gaining some real enthusiasm and determination with only a minute remaining in the game. Another long pass down the middle to Shaver was blocked by Beitman, but the referees called interference which gave the Devils an automatic first down and possession where the point of infraction occurred. With five seconds remaining, the next play from scrimmage found Zuyus free in the end zone for Dickinson's first TD. An all or nothing try for two points was locked in the end zone. Final Score: Dickinson 6 Swarthmore 7

Several of the prospective students who visited our campus this past weekend have written letters of thank you. The following excerpts are taken from these letters:

"We received an excellent tour of the campus and I can truly say that it looked great. But the thing that impressed me most of all was the students. They were very friendly and cooperative and they seemed like the kind of people I would want to go to college with and know for the rest of my life."

"I would like to thank you very much for the kind reception I received when I visited your campus. I particularly enjoyed the friendliness of your campus. Everyone spoke and asked if they could be of help. You certainly have a beautiful college. Thank you very much for your time."

"I saw for myself how friendly the students were and what your academic program had to offer."

Your kindness is appreciated not only by the prospective students but also by the Admissions Office.

SUMMARY

Daily Senator Review of Haverford Homecoming Game

First Quarter: Dickinson was plagued by penalties all afternoon and the first infraction occurred after the Red Devils stopped the Haverford initial offense but were penalized 15 yards for Roughing the Kicker. Two plays later, left guard Bill Smith intercepted a pass and returned it to the Haverford 46 yard line. The Devils got within scoring distance and called John Harper in for the field goal. The 22 yard attempt failed. The Devil defense regained possession of the ball after four plays on the Haverford 46 yard line. The Devils again launched an offensive threat but relinquished the ball on the 10 yard line after a fumble. The Fords were again forced to kick and at the end of the first quarter the Devils had marched to Haverford's 46 yd. line. Score: Dickinson 0-Haverford 0

Second Quarter: Dickinson still had possession and marched down to the 9 yd. line where John Harper connected for a 27 yd. field goal. Haverford returned the kickoff to their own 49 yard line, which was their deepest penetration of the afternoon, thus far. An exchange of kicks and a fine run by Chuck Lawrence of Haverford put the Fords on the Dickinson 32 yard line. The Fords were unable to mount any offense and punted to the Dickinson 10 yard line. The Fords' player Lawrence intercepted a DiOrio pass on the Haverford 45 and returned it to the 30 yard line of Dickinson. However, the Fords punted and the Devils regained possession on their own 10 yard line. The next Dickinson play was a 29 yard

line and was highlighted by a pass from DiOrio to Warden that netted 36 yards. The Frods held again with another interception and returned to the Dickinson 34 yard line. The half ended with Dickinson having possession and Penney running a draw play up the middle for 40 yards. Score: Dickinson 3 - Haverford 0

Second Half:

Third Quarter: On the first set of plays the Dickinson offense marched from the Haverford 31 yard line for a touchdown after KiOrio had returned the kickoff 55 yards. DiOrio plunged from the 1 yard line; Harper missed the extra point. From here on out, the Red Devils completely overwhelmed the Fords, who not only took a statistical beating, but a physical beating too. The Fords had possession of the pigskin and fumbled on their own 35 yard line. A fourth and one inch play netted 9 yards and placed the ball on the 14 yard line. On the third play from scrimmage Dick Warden scampered up the middle for the touchdown and Harper added the extra point for a 16 point cushion. The Fords then had a pass intercepted by Sommy Shoff, who returned the pigskin to the 1 yard line. Penney literally plowed through for the touchdown and Harper's extra point was good. The Fords then launched their major offensive move of the day with a drive from their own 10 yard line to the Dickinson 15. Score: Dickinson 23 Haverford 0

Fourth Quarter: The coming of the last quarter stalled the Haverford attack and pushed them back to the 34 yard line where they punted to the Dickinson 14 yard line. Dickinson then cleared their bench and gave the second and third string teams a chance to gain experience. Haverford regained possession on their own 47 yard line and then gained by way of the air on two passes and a Red Devil pass interference penalty. Terry Hancock then picked off a aerial and returned it to the Dickinson 35 yard line. Freshman back John Ritchie carried the ball for Dickinson and moved to the 44 yard line and a personal foul forced the Big Red to punt. Haverford moved through the air and gathered on another penalty because of holding by Dickinson. Dickinson then regained possession on their own 44 yard line after the Fords punted. The Red Devils moved to within 18 yards of the goal and John Harper came in to chalk up his second field goal. Soon after, Dill Smith picked up his second pass of the day and scampered to the Haverford 25, but the Devils were unable to score as Harper's fourth field goal attempt went wide. The next to the last play of the game found freshman Joel Rome pouncing on a fumble on the Fords' 33 yard line. Final Score: Dickinson 26 Haverford 0

DAILY SENATOR REVIEW OF THE FRANKLIN and MARSHALL GAME
by WHIT SMYTHE

An 86 yard "wrinkle-go" touchdown pass from Reno DiOrio to Dan Shaver sparked the Dickinson Red Devils to a 21-6 victory over F. & M. Saturday at Lancaster. Shaver scored twice for the Devils and Bill Penney once as the Red made it two straight over its arch-rival.

FIRST QUARTER

Dickinson received the opening kick-off, but was halted on downs. F. & M. found themselves in a hole on their first series when Sonny Shoff intercepted a Diplomat pass and drove to the home team's 21.

Any chance Dickinson may have had of cashing in on Shoff's theft was thwarted when DiOrio's pass was intercepted by Mike Reese of F. & M.

The charged-up Devil line stopped the Dips, but Shaver fumbled the ball away near mid-field. F. & M. drove to the visitors' 28, but a penalty set them back to the 43. A Diplomat punt was fielded by Shaver at the two. Running hard, Shaver returned to the 16. The Devils were unable to move, and Warden punted out to the 46.

The first quarter ended with F. & M. kicking to the Devils' 17.

SECOND QUARTER

DiOrio and Warden moved the ball to their own 19 on two line plunges; however, a 15 yard penalty set the Red back to the 14. On second down DiOrio faded back behind perfect pass protection. He uncorked a long pass that Shaver caught in full stride at the Diplomat 42. Barely outrunning the home team's safety man, Shaver completed an 86 yard touchdown. Harper converted for a 7-0 lead.

Harper's kick-off was fumbled on the Dip 30, and Bill Penney recovered. Penney gained 10, DiOrio picked up six in two tries, Penney added 13 more, and then cracked over for the Devils second score. DiOrio fired a pass to Penney in the end zone for two points and Dickinson led 15-0 at the half.

THIRD QUARTER

F. & M. outplayed Dickinson throughout the third period. Running power-

erfully the Diplomats drove to the visitors' three as the third period came to an end.

FOURTH QUARTER

F. & M.'s Mike Reese climaxed a 58 yard drive when he plunged between guard and tackle for the Blue's lone touchdown from the three yard line.

On the crucial two-point attempt, however, the Diplomats failed, and Dickinson still had a commanding 15-6 lead.

Late in the quarter Dickinson drove 60 yards for its final score. Shaver capped the march with a 12 yard touchdown sprint. Harper missed the point to make the final score read 21-6.

WRAP*UP

Dickinson's aggressive forward wall held F. & M. to 108 yards rushing and 43 passing. The Red and White gained 143 on the ground and 105 in the air.

Big Al Creps, Bill Smith and Sonny Shoff stood out for Dickinson on the line. Shoff intercepted two passed; DiOrio also intercepted two.

DAILY SENATOR REVIEW OF THE WESTERN MARYLAND DICKINSON GAME by Larry Rand

A strong team on a snowy field was enough to crush the Devils and set them back to their fourth defeat in six games. The powerful passing attack was unable to even be launched because of the inclement weather. The Marylanders were able to capitalize two out of three times when in scoring position, but the Big Red faltered on their (continued on back)

three chances.

First Quarter: Western Maryland's powerful running game was self-oxidon as they used up but eight minutes in going for their first score. The southerners churned out 56 yards in 14 plays. The touchdown was scored by Deisor from four yard out and the two point conversion was also scored by the big fullback. Dickinson had possession of the ball twice, but was unable to get within striking distance.

Second Quarters: Dickinson has possession of the ball via a 1st quarto quick-kick and marched from their own 37 yard line down to the Western Maryland 20 where they gave up the ball on downs. The southerners kicked again and a second long Dickinson dirve was halted on the Western Maryland 25. The half ended with the southerners gaining possession after four downs.

Halftime score: Dickinson- 0 Western Maryland- 8

Third Quarter: Early in the third quarter a Western Maryland punt was fumbled deep in Red Devil territory. The southerners wasted no time in capitalizing and Deisor scored again from the 12 yard line. The two points were added on a fake to the fullback and a run by the quarterback for the conversion. The Devils launched another drive which carried them as far as the W. Md. 11 before they were pushed back and again relinquished the ball on downs.

Fourth Quarter: The southerners had a break that they did not take advantage of when Verdelli's punt was plocked on the Dickinson 47 yard line. Dickinson then moved the ball to midfield where they fumbled and the southerners reciporated with a fumble. With six minutes remaining several passes were tried to Sterner in the end zone, but good protection stopped any competitions. Western Maryland took over again and with less than two minutes of playing time fumbled on their own 23, but the Red and White again failed to capitalize.

Conculsion: This was the toughest game of the year. Western Maryland was the only team to beat us by more than one touchdown. If the weather had been better the outlook of the entire game with the passin threat might have been different.

(Over for important notice)

It appears that many students are continuing to use drugs for the purpose of stimulating themselves to wakefulness in preparation for examinations. Dr. Coslett published a warning in the Dickinsonian last January against the use of derivatives of the amphetamine sulphates, notably dexedrine and benzedrine drugs. Dexedrine, he said, is a highly powerful central nervous system stimulant, and taken in excess have very serious effects which include both visual and vascular changes as well as a heightened state of emotionality and a general increase in tension, irritability and nervousness. The temporary stimulation produced by the drug is followed by fatigue and depression. The drug can bring about a severe change of mental state and induces what is known as amphetamine psychosis, a temporary but violent psychotic reaction.

The possession of dexedrine and benzedrine drugs without prescription is illegal; distribution of amphetamine sulphates is a criminal act and punishable under the Pennsylvania Dangerous Drug Act.

The use of drugs under the mistaken assumption that they enable one to study for long periods, is misguided and most unwise. Aside from the influence of the drugs themselves, which is invariably harmful, the detrimental effect of going without sleep for prolonged periods is damaging to health. Furthermore, it does not in fact accomplish the purpose intended.

Students who have genuine cause to be concerned about improving their study habits will be welcomed for consultation by Dr. Coslett.

The purpose of this notice is to warn all students of the harmful effects of the practice and to advise them most strongly against participating in it.
