FROM THE EDITOR...

The Daily Senator is a service publication sponsored by the Student Senate and put out twice a week, MONDAY and THURSDAY, and distributed throughout the campus by means of location points in the Union at the Information Desk, in Denny on the first floor, and in a box on a tree outside the Library. All organizations which wish to have information published about meetings, etc., should submit their articles in writing and signed by an authorized person to the Senator by means of the College mail (Box #1467), or the collection box in the lobby of the Library. It has always been our policy that we may edit for the sake of brevity and clarity, although it often means crimping the creative flourishes of various writers-to-be. Short editorial articles may periodically be published in addition to general information, at the discretion of the editor. No articles will be accepted, either of informative or editorial nature, not submitted through the proper channels (in other words, we cannot accept hurried phone calls and desperate pleas no matter who you are).

All articles to be published Monday should be submitted before Friday at 3 p.m.; all to be published Thursday must be received before 3 p.m. on Wednesday. This is necessary to have the paper edited in time for our typist. Your cooperation and understanding is appreciated and we hope that the Senator will be of service to all.

Les Dixon, editor
 Bob Thomas, ass't. editor
