So what's the big deal? Well, it's a big deal for several reasons; however, the three main ones: (1) It's the last Hillel function of this year (all those who have guilty consciences for not showing up at our other functions can yet redeem yourselves by showing up this and the above functions), (2) It's the Last Day of Chanukah and it would be nice for us to have some warm bodies as we celebrate this fun holiday, and (3) It's that time of the year when we hold Elections for positions on the Board (look at it this way, the more people- the greater the choice). We need some reliable and strong leadership for <sup>the</sup> upcoming year!
