Dear Mother

I received your letter this evening and i thought i would write a few lines to inform you that i am well at present and hoping these few lines may find you all the same. The time is long to see you all but i think i can get a furlow till the first of may and then i can get to see you all again i wish that this war was over and i was at home again i have only one year and one month to serve in the army and then if i get home safe again i will go into buisness for my self

I would like to see you all
the time it is flying fast
one year will soon fly around
and then I will be free again
I send my love to you all
and hope to get thro' this
war safe and get home to spend
a few happy years with you
all nothing more at present
but write soon to me
remembers me your true son
