Dear Friends,

The annual "Art Against AIDS" auction has established itself as a prestigious and eagerly awaited event.

Unfortunately, due to unforeseen circumstances the Board of the Lancaster AIDS Project had to make the very difficult decision of cancelling the event for the fall of '94. The exciting news, however, is that we have already begun planning for "The Arts Against AIDS '95"!

Thanks to the kindness and generosity of area artists/artisans, and antique dealers, the auction, in past years has been able to raise tens of thousands of dollars to assist with direct client services. This meant that persons suffering from AIDS were able to gain much needed medications, or perhaps continue to pay bills to enable them to continue living on their own, as well as accessing quality case management services and much more. Our goal this year is to raise over \$50,000.00 in order to contend with the unfortunate increase in client numbers and their ongoing needs in both Lancaster and Lebanon Co.s. We must continue in our fight against this disease and assure those living with HIV/AIDS the quality of life that we all deserve.

Our intent therefore, is to encourage the donation of one choice piece of original art, sculpture, photography, fine crafts or antiques for the auction that is protected and suitable for display. The items donated will then be selected for either our live or silent auction. Remember, your donation may be tax deductible.

Our event this year will include the above mentioned items as well as exciting celebrity donations. A preview and elegant reception catered by the AFC Susquehanna Valley Chef's Association will begin our event at 4:00pm on Sunday October 29th at the Lancaster Host Resort.

"The Arts Against AIDS '95" promises to be more incredible than ever before! If you are desiring to participate, Please return the enclosed form no later than June 26. If you know of other artists or dealers that may not have received this invitation, please extend a welcome to them, or if you have any questions, do not hesitate to contact me at the Lancaster AIDS Project, 44 N. Queen St., Lanc. PA 17603, Phone-394-3380.

Our warmest thanks and appreciation!
