All proceeds from Oscar Party '97 support the HIV/AIDS Education Programs of the American Red Cross of Lancaster County.

Nationally, the American Red Cross works closely with the Centers for Disease Control and the U.S. Dept. of Health to provide the most comprehensive, up-to-date HIV/AIDS education possible. In addition to general community and workplace programs, great emphasis is placed on the providing of culturally sensitive and specific education throughout our diverse communities.

Locally, the American Red Cross is engaged in collaborative relationships with many community organizations serving high-risk populations, as well as with schools, businesses, and care providers. Last year, over 16,000 Lancaster County men, women, and children received Red Cross HIV/AIDS educational programs and materials. With our recently revised and extended curriculum, we expect to reach an additional 20,000 members of our community by the end of this year.

*These and all American Red Cross programs are made possible by the volunteer service and financial support of the American people.*

**PLUS: Make the evening complete! Have dinner at the Marion Court Room, 5:00-8:00 that night. Dennis John Cahill of WARM 103 is Guest Chef. 30% of all Guest Chef dinners will be contributed directly to the Oscar Party proceeds. Call (717) 399-1970 for reservations.**
