Note-able Entertainment

Open Letter to YOU WHO MADE THE 1st & 2nd ANNUAL "WOMEN IN CONCERT" BENEFITS A SUCCESS!!!:

On behalf of PA Coalition Against Domestic Violence, I wholeheartedly **THANK YOU!!!** for coming to the 2nd Annual "Women in Concert" Benefit featuring Deidre McCalla and C2H (Bobbi Carmitchell, Robin Chambers, Deenie Hamacher, and guest, Pete Vargas), Oct. 6, '89, at the Forum.

PCADV expresses their gratitude for the proceeds and increased public awareness generated by your support of the Concerts.

And, at this time, I especially want to **thank** those of you who completed the "Audience Survey" at the Concert this year (and last year!). **From you, I hear a need for more** quality women's music and cultural events, for the strength and community these provide as well as for their pause from the 'usual' entertainment faire.

Your Voice, whether complimentary or critical, will guide this writer in producing any future events. Not only does the "Survey" help build a mailing list and stretch advertising dollars by identifying how you heard about this Concert (and, therefore, how to most effectively target how you'll hear about future events); your honest feedback allows me to best respond to **your ideas and concerns.**

Thank you again for your thoughts. You (including any of you who did not yet get to a Note-able Entertainment production, but are interested in the future of live entertainment in our area) are encouraged to **send your ideas on WHO?** you'd like to see; **WHERE?** (specific clubs, halls, indoor or out); **WHEN?** (times of year, days of the week, themes/causes/holidays, times of day to start & finish event); at what reasonable **PRICE RANGES?** with what **SERVICES** provided? (child care, interpreter, reserved seats); **HOW YOU FEEL?** about this opportunity to be listened to; and, any other comments to...
