...My name is "Charley" & I'm a neutered male mixed collie & am available for adoption. Unfortunately I was badly abused by the man who owned me 4 years ago, & I sometimes have trouble trusting men. It's understandable though, because abuse is hard to forget, but I've come a long way with the love and patience of the volunteers here at the shelter. There's a lot of love in my heart & I need a home to share it with. Please call for an appointment to see me, "Charley", a very special dog.

Lucy

...My name is "Lucy" & I'm a neutered female mixed shepherd & am available for adoption. I have a desperate need to be in a loving home. The volunteers are careful about who I can live with because they are so attached to me. They know that I would do better in a household of women, because like so many other unfortunate pets, I was mistreated by a male owner. I promise to be loving & loyal to a good home. Please call to see me, "Lucy".
