To a woman with the self-devotion of Miss Piggy, the 'manliness' of Elvis, the compassion of Dr. Laura and the needs of a major 'inner child', I commit my heart, my life. You rise above them all!

Life hasn't been the same since the day we met. Can't wait till you get back. We have much catching up to do. What you want you'll get, satisfaction guaranteed. Just name your pleasure. Keep scheming,

To My Valentine:  
Four years we've shared are lives, through some good, and some bad times. But even though, society may not agree, I still love you, and I hope you still love me.  
Love always,
