Ms. Kleen sez....

Let's talk about dish washers, not the human kind. Did you know that if the water entering the dishwasher is hotter than 140 F, you run the risk of permanently etching the glasses and flatware? If the water is cooler than 140 F, you'll have disappointing results. How does one check the water temperature? Fill a container with the hottest water from your tap. Check the temperature with a meat thermometer then adjust your water heater so that your hottest water is about 140 F.

Best dishwashing detergent? It's difficult to beat Cascade's line of products, but Wal-Mart's and Costco's store brands come pretty close. Don't rinse those dishes off before you put them in the dishwasher! The dishwasher detergent is highly alkaline and needs the acidity of the food to reach optimum cleaning action. Besides, rinsing wastes time, water and energy.

I learned that using more detergent is not better. Using more detergent than required may permanently etch your glasses and flatware. You can go to your water company's web site and click on water quality, or make a phone call. You need to know what the hardness rating of your water in "grains per gallon" or gpg. You need only 1 to 4 tablespoons, depending on the hardness of your water. 0 to 3 grains hardness, 1 Tbsp; 4 to 6 grains, 2 Tbsp; 7 to 9 grains, 3 Tbsp; and 10 to 12 grains, 4 Tbsp.

Using the dishwasher actually saves water compared to washing by hand. It takes 6 - 10 gallons of water to run the dishwasher, and doing them by hand consumes 9 - 24 gallons of water. Dishwasher wins!

Forever Books....

Have you checked out Forever Books, located at 41 N. Front St. in Steelton yet? They are right across the street from the Turkey Hill. Stop in and say hi to Tameca and Monique. FULTON THEATRE - WIT

JANUARY 29 - FEBRUARY 15, 2004

A play by Margaret Edson, directed by Michael D. Mitchell.

What separates life from life everlasting? Vivian Bearing would daresay...punctuation. She's smart, she's funny, she's dying. Meet Vivian Bearing, Ph.D. Words are her life. She takes them seriously, especially when it comes to the poetry of John Donne. But for all her scholarly pursuits, her struggle with ovarian cancer reveals how laughingly little she knows about what it means to be human. Winner of the 1999 Pulitzer Prize for Drama, Wit is a touching story of spiritual conversion that will leave you transformed. Tickets are \$14 - \$45, and available by calling (717) 397-7425, or online at www.atthefulton.org. The Fulton is located at 12 N. Prince St. Lancaster.

PIPPIN

FEBRUARY 21-22, 26-28, AND MARCH 4-7

Theatre Harrisburg is the Resident Theatre Company at the Whitaker Center in Harrisburg. They are presenting Pippin! A young man graduates from college and wonders how to find real meaning in his life. What's an heir to the 9th-century Holy Roman Empire to do? If you're Pippin, son of Charlemagne, you decide to dabble in war, sex and politics before finally finding love. Pippin unfolds as a burlesque filled with broad comedy, bawdy characters, and magical but dark situations. Ensemble energy combined with various pop-rock styles makes for a snappy, tuneful score, including the soul-driven opener "Magic to Do", the soaring "Corner of the Sky", and the lovely ballads "With You" and "Love Song".

Health Spotlight....

AMERICAN HEART MONTH

Did you know that a woman's number 1 health risk is heart disease? It is by far the #1 killer of American women each year, and 10 times the number who die from breast cancer. Unbelievable! This is something we all should be very concerned about, young and old alike.

Many hospitals in the Central Pennsylvania region have educational programs available this month. Check with your local newspaper or your local hospital to find out what they are offering.

Pinnacle Health System in Harrisburg is sponsoring various events in Harrisburg, one of which is the national Red Dress Project. Their Heart Truth Campaign will show that heart disease doesn't care what you wear, and pairs this message with an arresting visual, the Red Dress, as the national symbol of women and heart disease. Eight of the 19 Red Designer Dresses will be unveiled in a special ceremony in the Capitol Rotunda Thursday, February 12 at 6 PM. The keynote speaker will be Peggy Fleming, the famous ice skater, and she'll tell of her own family's struggle with heart disease and her own battle with high cholesterol. Tickets are \$20 per person and include speakers, entertainment, hors d'oeuvres and refreshments. Please call (717) 231-8100 for tickets and info.

Saturday, February 14, there is a Health Fair and Red Dress Project Display at the Whitaker Center's Kunkel Gallery in Harrisburg, from Noon till 3 PM. This event is FREE of charge, and includes two FREE IMAX showings of "The Human Body" at 12:15 and 1:30 PM. Free and low-cost screenings will be available as well.

Take charge of your health, don't wait for problems to show up. Remember, education is the key.
