### FULTON THEATRE TREASURE - WORLD PREMIERE APRIL 29 - MAY 16, 2004 BY TIM SLOVER DIRECTED BY MICHAEL D. MITCHELL

The face on the Ten Dollar bill.

Ever notice the haunted look in his eyes?

Seven years before the duel with Aaron Burr that took his life ... Alexander Hamilton faced a decision. Choose to save his marriage. Or choose to save the United States of America.

He was a Revolutionary War hero, Washington's right hand man, the first Secretary of the Treasury, an architect of the new American government, and the author of an economic policy poised to get a new nation on its feet. He was also, evidently, his own worst enemy. Treasure is Hamilton's riveting story of redemption. A story of a man who falls from power.

And into greatness.

Tickets are \$14 - \$45, and available by calling (717) 397-7425, or online at: [www.atthefulton.org](http://www.atthefulton.org). The Fulton is located at 12. N. Prince St. Lancaster.

## Health Spotlight....

### TAKE CARE OF YOUR FEET

Did you know.....more than 70% of all people in the United States will have painful foot problems at some time during their lifetime?

If your feet ain't happy, you ain't happy. Right? A lot of us take our feet for granted. Look how we mistreat them.....women wearing HIGH heels, others wearing shoes that don't fit right, or you're not wearing the right shoes for the right activity. Ouch!!

Then there is corns, calluses, ingrown toe nails, fungus, athlete's foot, spurs, and the list goes on.....

How do you keep your feet happy? Wash your feet daily. Rinse off all soap and dry thoroughly, especially between the toes. Trim those toenails straight across, and not too short. Don't cut or dig at the corners of the nail. Wear clean socks or stockings every day. Wear shoes that fit. You should wear shoes that are made of leather or canvas, not synthetics. If your feet sweat a lot use foot powder. High heels can actually change body posture, which in turn will make backaches more likely. High heels also really cramp those toes. Ouch!

Do your shoes fit well? If they aren't comfortable, don't buy them! Can you wiggle all of your toes in the shoes that you have on now? The toe box should be roomy enough so that you can wiggle all of your toes. Go shoe shopping late in the afternoon, that is when your feet swell to their largest point. And.....feet spread with age. Go to a shoe store that can measure your feet, so you'll be sure to get the right size shoe for your feet. That's very important.

Pamper your feet from time to time too. There are some good mechanical foot massagers out there, or you can just soak them in a container of warm water for a while. Ahhhh, that feels good. Take care of those feet!
