Give yourself this gift. Please join us in sharing  
the powerful magic of Kay Gardner.**

The chorus is the musical voice of central Pennsylvania's feminist, lesbian & gay communities. In the fall of 1997, we performed the world premiere of our first commissioned piece, *Song of the Dying Amazon*, by Kay Gardner, with the conductor composing. We were so moved by her music — and by her — that we are bringing her back for two special gatherings. Don't miss the joy of meeting and learning from one of the foremothers of women's music.

***Yes! I want to meet Kay Gardner!***
