What is Lily White & Company? Serving the community since 1982...

...Lily White & Co., Inc. realized early on the potential that entertainment has in conveying a message of commitment to those living with the brutal effects of AIDS.

Lily is a dedicated group of men and women whose mission is to 1) raise much-needed funds via the *Lily Patient Relief Fund*, for those living with AIDS and 2) raise money for gay and lesbian groups through the *Lily Community Fund*.

Lily accomplishes these tasks by producing shows which highlight our humorous and talented female illusionists extraordinaire who have raised over \$50,000 for AIDS support and gay or lesbian service organizations.

"We deeply appreciate your continued support ... the monies we receive go directly back to the community in the form of hospice services."

The Dames are just a small part of the Lily ensemble. Group acts are extremely popular with our audiences.

Lily White & Company also presents full scale productions of published works by prominent playwrights. Past works, have included Larry Kramer's chronicle of the early years of the AIDS epidemic *The Normal Heart*, Harvey Fierstein's sentimental *Forget Him* and Terrance McNally's emotion-packed *The Lisbon Traviata*. All of these productions have successfully benefited those living with AIDS.

"It was clear the Company truly enjoyed performing and that joy shone through."

"Solid performances...made the Lily White & Company's (production) of 'The Lisbon Traviata' a thoroughly entertaining evening."
