Our 32nd Season

# The Big Gay Christmas Extravaganza!

Join the HGMC as we offer up glad tidings, great music, and pure entertainment in what has become the area's zaniest Christmas tradition.

This year, the boys tell the story of Frankie, a gay elf who gets stuck on the same shelf year after year even though he dreams of becoming a singer. Will those darned kids make the naughty or nice list? Will he finally stand up to Santa and follow his passion? And what's with those elf costumes? There's only one way to find out!

# TWO BOYS KISSING

The HGMC is proud to present one of the most important large-scale choral works in recent years!

Joshua Shank's oratorio adaptation of David Levithan's award-winning book tells the story of Harry and Craig – two teenage boys trying to set the Guinness World Record for the longest kiss – through the eyes of a generation of men who lost their lives to AIDS. Featuring an eight-piece orchestra, *Two Boys Kissing*, is a triumph of contemporary choral storytelling that you won't want to miss.
